@cocojm_13 calls fans “toads and rats” and a user a “dumbazz toad” and “embarrassed rat,” says “toads and rats are beyond saving,” that “toads” treat “their fave” as “some fragile azz man,” and asks if “your fave [is] that painfully irrelevant.” Ongoing targeted harassment.

@cocojm_13 targets Jungkook and Taehyung with animal slurs: calls Jungkook "Ratkook" and a rat emoji, says "Ratkook's end will be horrible," accuses him of "endless SX scandals," and calls Taehyung "toad" and "toto" while mocking his appearance.
