

STUDENT NAME:

STUDENT APPLICATION: Learning Art Skills with Guide Dots Art Curriculum Scope and

Sequence and Scope: This art curriculum focuses on developing fine motor skills, creativity, and self-expression through a variety of hands-on educational activities provided by Guide Dots. Students will explore different mediums (drawing, pastels, markers, paint) while being introduced to basic art concepts such as line, color, shading. The sequence progresses from simple artistic tasks to more complex projects that integrate problem-solving and creative thinking.

### **Learning Objectives:**

By the end of this curriculum, students will be able to:

- Understand and identify lines and begin to create them.
- Use various tools to create art (paintbrush, markers, pastels).
- Begin to appreciate artistic expression and draw independently.
- Develop fine motor skills through drawing & painting.
- Follow simple directions to complete art projects.
- Feel more confident in their ability and practice creative problem solving.

### **Benefits of Guide Dots Art Curriculum:**

Guide Dots offers an educational and engaging way for children to explore art concepts. These kits:

- Provide hands-on learning experiences
- Encourage creativity and innovation
- Introduce real-world applications of art
- Foster a growth mindset through experimentation and problem-solving
- Offer a structured yet flexible learning path
- Include all necessary materials and clear instructions
- Provide regular updates and new challenges to maintain interest

### **Initial Art Confidence Starter Kit (Ages 8+):**

Lesson 1: Introduction to drawing a Fantasy Horse

Activity: Draw and color a fantasy horse using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Fantasy Horse Project Roll

Assessment: Evaluate students' use of color blending in their chalk pastel creations.

Lesson 2: Introduction to drawing a Peace Turtle

Activity: Draw and color a peace turtle using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Peace Turtle Project Roll

Assessment: Evaluate students' ability to blend colors effectively in their watercolor paintings.

Additional Lesson Add Ons:

Lesson 3: Introduction to Drawing a Strawberry Cow

Activity: Draw and color a strawberry cow using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Strawberry Cow Project Roll

Assessment: Assess the precision of line work in students' marker drawings.

Lesson 4: Introduction to drawing Axolotl Friends

Activity: Draw and color axolotl friends using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Axolotl Friends Project Roll

Assessment: Assess the precision of line work in students' drawings using oil pastels.

Lesson 5: Introduction to drawing an Anime Character

Activity: Draw and color an anime character using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Anime Character Project Roll

Assessment: Observe students' ability to create depth using shading techniques with pastels.

Lesson 6: Introduction to drawing a Realistic Eye

Activity: Draw and color a realistic eye using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Realistic Eye Project Roll

Assessment: Review how well students apply layering techniques in their artwork.

Lesson 7: Introduction to drawing a Dino Egg

Activity: Draw and color a dino egg using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Dino Egg Project Roll

Assessment: Check for creativity in students' designs using both markers and pastels.

Lesson 8: Introduction to drawing a Traveling Wizard

Activity: Draw and color a traveling wizard using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Traveling Wizard Project Roll

Assessment: Assess students' understanding of color theory in their compositions.

Lesson 9: Introduction to drawing a Desert Sunset

Activity: Draw and color a desert sunset using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Desert Sunset Project Roll

Assessment: Evaluate students' skill in creating smooth gradients with markers.

Lesson 10: Introduction to drawing a Adventure Jeep

Activity: Draw and color a adventure Jeep using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Adventure Jeep Project Roll

Assessment: Observe how effectively students create texture in their drawings.

Lesson 11: Introduction to drawing a Pumpkin Truck

Activity: Draw and color a pumpkin truck using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Pumpkin Truck Project Roll

Assessment: Review the clarity and neatness of students' pastel applications.

Lesson 12: Introduction to drawing a Autumn Friends

Activity: Draw and color a autumn friends using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Autumn Friends Project Roll

Assessment: Assess students' ability to depict light and shadow in their artwork.

Lesson 13: Introduction to drawing Sunflowers

Activity: Draw and color sunflowers using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Sunflowers Project Roll

Assessment: Check for effective use of contrasting colors in students' projects.

Lesson 14: Introduction to drawing a Fruit Bowl

Activity: Draw and color a fruit bowl using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Fruit Bowl Project Roll

Assessment: Evaluate how well students follow instructions for color application.

Lesson 15: Introduction to drawing a Town On The Bay

Activity: Draw and color a town on the bay using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Town on the Bay Project Roll

Assessment: Assess students' techniques for adding highlights using white pastel.

Lesson 16: Introduction to drawing a Cat In The Rain

Activity: Draw and color a cat in the rain using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Cat In The Rain Project Roll

Assessment: Observe how well students create texture using oil pastels in their artwork.

Lesson 17: Introduction to drawing a Sun And Moon

Activity: Draw and color a sun and moon using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Sun and Moon Project Roll

Assessment: Review students' ability to convey emotion through their choice of colors.

Lesson 18: Introduction to drawing a Deer In Stars

Activity: Draw and color a deer in stars using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Deer In Stars Project Roll

Assessment: Review students' understanding of layering techniques in both watercolors and pastels.

Lesson 19: Introduction to drawing Mushroom Friends

Activity: Draw and color mushroom friends using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Mushroom Friends Project Roll

Assessment: Observe how well students integrate different mediums in a single piece.

Lesson 20: Introduction to drawing a Floral Owl

Activity: Draw and color a floral owl using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Floral Owl Project Roll

Assessment: Check for creativity in students' compositions and color choices.

Lesson 21: Introduction to drawing a Rainbow Treefrog

Activity: Draw and color a rainbow treefrog using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Rainbow Treefrog Project Roll

Assessment: Check for originality in students' character or scene designs.

Lesson 22: Introduction to drawing a Jungle Leopard

Activity: Draw and color a jungle leopard using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Jungle Leopard Project Roll

Assessment: Assess students' understanding of form and volume through drawing.

Lesson 23: Introduction to drawing a Modern Portrait

Activity: Draw and color a modern portrait using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Modern Portrait Project Roll

Assessment: Evaluate students' ability to maintain clean lines while using markers.

Lesson 24: Introduction to drawing a Graphic Hand

Activity: Draw and color a graphic hand using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Graphic Hand Project Roll

Assessment: Observe students' use of texture and technique in their artwork.

Lesson 25: Introduction to drawing a Wolf Dragon

Activity: Draw and color a wolf dragon using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Wolf Dragon Project Roll

Assessment: Review how effectively students mix colors in their pastel pieces.

Lesson 26: Introduction to drawing a Llamacorn

Activity: Draw and color a llamacorn using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Llamacorn Project Roll

Assessment: Assess the creativity of students' patterns and motifs in their drawings.

Lesson 27: Introduction to drawing a Winter Mantle

Activity: Draw and color a winter mantle using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Winter Mantle Project Roll

Assessment: Check for students' control over pressure when applying pastels.

Lesson 28: Introduction to drawing a Alpine Cabin

Activity: Draw and color a alpine cabin using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Alpine Cabin Project Roll

Assessment: Assess students' ability to create a cohesive composition.

Lesson 29: Introduction to drawing a Winter Kitty

Activity: Draw and color a winter kitty using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Winter Kitty Project Roll

Assessment: Observe how students depict characters and backgrounds in their drawings.

Lesson 30: Introduction to drawing a Lightup Reindeer

Activity: Draw and color a lightup reindeer using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Lightup Reindeer Project Roll

Assessment: Assess students' techniques for achieving well blended pastels and watercolor in their work.

Lesson 31: Introduction to drawing a Unicorn Mermaid

Activity: Draw and color a unicorn mermaid using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Unicorn Mermaid Project Roll

Assessment: Review the effectiveness of students' shading techniques with pastels

Lesson 32: Introduction to drawing a Spaghetti Brush

Activity: Draw and color a spaghetti brush using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Spaghetti Brush Project Roll

Assessment: Evaluate how effectively students use contrast in their pastel drawings.

Lesson 33: Introduction to drawing a Spring Bird

Activity: Draw and color a spring bird using watercolor

Materials: Guide Dots Level Two Starter Kit + Spring Bird Project Roll

Assessment: Assess students' techniques for achieving smooth washes in their watercolor work.

Lesson 34: Introduction to drawing Floral Watering Can

Activity: Draw and color a floral watering can using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Floral Watering Can Project Roll

Assessment: Check for attention to detail in students' marker illustrations.

Lesson 35: Introduction to drawing a Special Presents

Activity: Draw and color a special presents using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Special Presents Project Roll

Assessment: Observe students' ability to depict light and shadow through shading techniques.

Lesson 36: Introduction to drawing a Foxy Winter

Activity: Draw and color a foxy winter using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Foxy Winter Project Roll

Assessment: Assess how well students incorporate personal style into their artwork.

Lesson 37: Introduction to drawing a Textured Squirrel

Activity: Draw and color a textured squirrel markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Squirrel Project Roll

Assessment: Evaluate students' skills in creating focal points in their compositions.

Lesson 38: Introduction to drawing a Pilgrim Turkey

Activity: Draw and color a pilgrim turkey using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Pilgrim Turkey Project Roll

Assessment: Assess students' understanding of proportion and scale in their drawings.

Lesson 39: Introduction to drawing a Raven and Pumpkin

Activity: Draw and color a raven and pumpkin using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Raven and Pumpkin Project Roll

Assessment: Observe how effectively students use markers for decorative elements.

Lesson 40: Introduction to drawing a Fall Leaf Pup

Activity: Draw and color a fall leaf pup using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Fall Leaf Pup Project Roll

Assessment: Review students' ability to create a visual narrative through their art.

Lesson 41: Introduction to drawing Sir Frog

Activity: Draw and color sir frog using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Sir Frog Project Roll

Assessment: Assess students' exploration of different drawing techniques.

Lesson 42: Introduction to drawing a Mission Spaceship

Activity: Draw and color a mission spaceship using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Mission Spaceship Project Roll

Assessment: Check for the effectiveness of color contrasts in students' pastel projects.

Lesson 43: Introduction to drawing an Astronaut

Activity: Draw and color an astronaut using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Astronaut Project Roll

Assessment: Review the clarity and neatness of students' applications in both mediums.

Lesson 44: Introduction to drawing a Colorful Pineapple

Activity: Draw and color a colorful pineapple using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Colorful Pineapple Project Roll

Assessment: Evaluate how well students manage their workspace while creating art.

Lesson 45: Introduction to drawing a Toucan

Activity: Draw and color a toucan using markers and watercolor

Materials: Guide Dots Level Two Starter Kit + Toucan Project Roll

Assessment: Assess students' techniques for creating backgrounds with both mediums.

Lesson 46: Introduction to drawing a Summer Breeze

Activity: Draw and color a summer breeze using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Summer Breeze Project Roll

Assessment: Review students' ability to refine their artwork based on feedback.

Lesson 47: Introduction to drawing Beach Flops

Activity: Draw and color beach flops using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Beach Flops Project Roll

Assessment: Check for originality in students' subject matter and design choices.

Lesson 48: Introduction to drawing a Seaweed Seahorse

Activity: Draw and color a seaweed seahorse using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Seaweed Seahorse Project Roll

Assessment: Assess students' capability to express themes or messages through their art.

Lesson 49: Introduction to drawing an Amazing Octopus

Activity: Draw and color an amazing octopus using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Amazing Octopus Project Roll

Assessment: Assess the overall cohesiveness and artistic intention in students' final projects.

Lesson 50: Introduction to drawing a Sunset Bridge

Activity: Draw and color a sunset bridge using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Sunset Bridge Project Roll

Assessment: Check for the use of innovative techniques in combining markers and pastels.

Lesson 51: Introduction to drawing a Gated House

Activity: Draw and color a gated house using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Gated House Project Roll

Assessment: Observe students' understanding of artistic principles in their work.

Lesson 52: Introduction to drawing a Basketball Swish

Activity: Draw and color a basketball swish using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Basketball Swish Project Roll

Assessment: Evaluate how well students experiment with provided materials.

Lesson 53: Introduction to drawing a Soccer On Fire

Activity: Draw and color a soccer on fire using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Soccer On Fire Project Roll

Assessment: Assess the overall cohesiveness of students' pieces using multiple mediums.

Lesson 54: Introduction to drawing Love Birds

Activity: Draw and color love birds using markers and chalk pastels

Materials: Guide Dots Level Two Starter Kit + Love Birds Project Roll

Assessment: Assess students' understanding of color theory and texture in their compositions.

Lesson 55: Introduction to drawing a Geo Rose

Activity: Draw and color a geo rose using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Geo Rose Project Roll

Assessment: Review how effectively students integrate both oil pastels and watercolors in a single piece.

Lesson 56: Introduction to drawing a Gnome

Activity: Draw and color a gnome using watercolor and oil pastels

Materials: Guide Dots Level Two Starter Kit + Gnome Project Roll

Assessment: Observe students' experimentation with different brush techniques in watercolor.

Materials Required:

- Guide Dots Art Confidence Starter Kit (Ages 8+)
- Strawberry Cow Project Roll
- Axolotl Friends Project Roll
- Anime Character Project Roll
- Realistic Eye Project Roll
- Dino Egg Project Roll
- Traveling Wizard Project Roll
- Desert Sunset Project Roll
- Adventure Jeep Project Roll
- Pumpkin Truck Project Roll
- Autumn Friends Project Roll
- Sunflowers Project Roll
- Fruit Bowl Project Roll

- Town On The Bay Project Roll
- Cat In The Rain Project Roll
- Sun and Moon Project Roll
- Deer In Stars Project Roll
- Mushroom Friends Project Roll
- Floral Owl Project Roll
- Rainbow Treefrog Project Roll
- Jungle Leopard Project Roll
- Modern Portrait Project Roll
- Graphic Hand Project Roll
- Wolf Dragon Project Roll
- Llamacorn Project Roll
- Winter Mantle Project Roll
- Alpine Cabin Project Roll
- Winter Kitty Project Roll
- Lightup Reindeer Project Roll
- Unicorn Mermaid Project Roll
- Spaghetti Brush Project Roll
- Spring Bird Project Roll
- Floral Watering Can Project Roll
- Special Presents Project Roll
- Foxy Winter Project Roll
- Textured Squirrel Project Roll
- Pilgrim Turkey Project Roll
- Raven And Pumpkin Project Roll
- Fall Leaf Pup Project Roll
- Sir Frog Project Roll
- Mission Spaceship Project Roll
- Astronaut Project Roll
- Colorful Pineapple Project Roll
- Toucan Project Roll
- Summer Breeze Project Roll
- Beach Flops Project Roll
- Seaweed Seahorse Project Roll
- Amazing Octopus Project Roll
- Sunset Bridge Project Roll
- Gated House Project Roll
- Basketball Swish Project Roll
- Soccer on Fire Project Roll
- Love Birds Project Roll
- Geo Rose Project Roll
- Gnome Project Roll

This curriculum leverages the educational value of Guide Dots Art Curriculum to provide a comprehensive art learning experience, combining hands-on drawing guides with key concepts in line, color, and shading.
