- their playlist live gifts just arrived in the mail today
- coffee>tea
- they don't have a coffee machine
- the synchronicity in the crafting video wasn't planned (including the laughing)
- dan will make sure there is some comic sans in the book
- he will be at big weekend this year in norwich
- he had been playing peggles then he got angry and deleted it because it timebaited
- he watched the beiber roast and thought it was kind of weird and that some jokes were funny but some were lazy
- dan wanted to play grimes last night but the song he wanted wasn't on the system
- they were going to make another dil video but phil was too sick
- dan is uploading tomorrow (it's a reason why dan's a fail)
- "2012. bad times" (about snapbacks)
- they will be documenting the tour in some way
- radio 1 offered them more radio time but they turned it down because yt is priority
- they probably won't do any more minecraft
- "the whole point of the minecraft video was to be terrible"
- he has carrie's book and he says it's good
- the teacher from dan's psycho french teacher video tried to sue him
- he tried to teach us how to whistle
- his bagel made him sad and he didn't finish it
- he got phil in for the end
- dan to phil: "you sound like shit"
- they're going to japan THIS WEEK
- new dil video by the end of this week hopefully
- they're ordering pizza for dinner
