

RIGHT NOW IS THE 2ND FLAME-CHASER'S TIME !

Hello new ones ! I'm Ai, the mod of @kissingantiradqueers on Tumblr. This is a dictionary with Radqueer and Anti-Radqueer terms in case new Anti-Radqueers don't know. This also will talk about some terms which we also don't know.

I'm a new Anti-Radqueer too, but I talked with an Anti-Radqueer discord server made by @burningradqueers who there are mod Mew from @antiradqueer, Xiao and his system from @burningradqueers, Ozzie from @adorbsies, The Wife and pups system from @acetrappolaswife, and others.

After here may have: Mention to Abuse, Mention to Suicide, Mention to Death, Mention to Zoophilia, Mention to Genitals.

-
- TransID, TransX, Trans+

This means "identities" where the person identify with things that aren't gender, but yes race, ethnicity, nationality, having a disability, and other for fun.

- TERF

This means Trans Exclusionist Radical Feminist. They are Radical Feminists who believe Transfems aren't Females because they were born with penis, balls and masculine hormones.

- TIRF

This means Trans Inclusionist Radical Feminist. They are Radical Feminists who believe Transfems are Females.

- AGAB

This means Assigned Gender at Birth. This is for one's biological gender (aka. Sex). There's AFAB (assigned female at birth), AMAB (assigned male at birth), AXAB (assigned x at birth) and so on.

- 🐜 (Ant emoji)

This is one way Radqueers call Anti-Radqueers. This is because "Ant" and "Anti" are similarly written.

- TransHarmed / TransTrauma

A subterm of TransID for people who thinks they SHOULD/identifies as having passed through a Trauma for fun, such as identifying as having passed through RAMCOA, CSA, COCSA, Incest, Burned and so on. This is a term who supports "transitioning" to those traumas.

- TransHarmful

A subterm of TransID for people who thinks they SHOULD/identifies with being something harmful for fun, like identifying with being a Nazi, a Murder, a School Shooter, a Serial Killer, a Genocidal, a Racist, and so on. This is a term who supports "transitioning" to those harmful things.

- TransAble

A subterm of TransID for people who thinks they SHOULD/identifies with having a disability for fun, such as identifying with having Autism, ADHD, NPD, BPD, BAD and so on. This is a term who supports "transitioning" to disabilities.

- TransRace

A subterm of TransID for people who identifies as being from another race for fun, such as being white and identifying with being black. This is a Radqueer term, but before it was used for adoptees (people who have been adopted) who are from a race who is different from their adopted family, such as being a black child who was adopted by a white family. This is a term, when used for non-adoptees, who supports "transitioning" to another race.

- TransSpecies

This term isn't TransID but it was originally from the Furry and Therian community since 199X, but Radqueers dragged this term to be one of their terms, even if it was used way before them. Normally TransSpecies coining posts are made by TransID people who believes this is a TransID term, but there's some Anti-Radqueer and Anti-TransID blogs who coins TransSpecies terms too.

- TransAge

A subterm of TransID for people who identifies with another age different from your actual age. This term supports "transitioning" to the ages, but it is inherently harmful.

- CSA

This means Child Sexual Abuse. As in a child being sexually abused.

- COCSA

This means Child on Child Sexual Abuse. As in child sexually abusing another child.

- MSM

This means Minor Sexual Material. As in sexual material (such as porn) of minors.

- MMP

This means Minor Made Pornography. As in Pornography made by minors for adults.

- AAMs

This means Adult Attracted Minor. As in a Minor who is attracted to adults.

- Pro-Contact Paraphile

Paraphiles who act on their paraphilias and their supporters.

- Complex-Contact Paraphile

Paraphiles who think that if the child, animals, bodies and so on consent they will act on their paraphilias and their supporters.

- Anti-Contact Paraphile

Paraphiles who don't, and won't, act on their paraphilias and their supporters.

- Void-Contact Paraphile

We don't know what it is, but probably it is paraphiles who don't have an opinion if they will act on their paraphilias. It is a Radqueer term and no one knows its meaning.

- Neu-Contact Paraphile

Paraphiles who are neutral if they will act or not on their paraphilia.

- Consang

It means Incest and this is part of the word consanguine.

- Arissomei / Arissodic

An Anti-Radqueer and Anti-TransID term for people who feel disconnected about something in themselves. It is similar to TransID, but it is for people with Psychosis, DID, OSDD, Atypical Dysphoria (mainly) and so on and it isn't a voluntary "I want to be uwu" nor for fun.

- Novimeis

This is an Anti-Radqueer and Anti-TransID term who is equal to Arissomei / Arissodic but heavily space-themed.

- Aldernic

This is an Anti-Radqueer and Anti-TransID term for people who wish to have a body that deviates from what is expected by society, or typical notions in general, ranging from your whole body to parts of your body. Aldernic is not synonymous to gender identity.
