

1. This is not first-come, first-serve. I will be pretty picky about this one. I really want this to look good!
2. You are required to have a Discord in order to participate. I was easier on people with not having a Discord on my last MAP but it made things so much more complicated so it's required now!
3. The usual rules; canvas must be 1920 x 1080 and no watermarks!
4. This is an anything MAPProject. You are free to use OCs or any fandoms but I have the right to refuse the fandoms or characters if they are under the typical blacklist. But also note to keep your parts to PG-13 or PG! If you're not sure about what you want to use is okay just ask!
5. Adding into the previous rule I prefer it if you draw your characters as cats! Just to keep things a bit more consistent :) an exception to this is if the characters are already creatures like dragons or Pokémon!
6. Tweening is mandatory! I'll be looking into everyone's editing skills when it comes to choosing parts! You are feel to do semi-animation/animation here and there but be sure it doesn't take up the entire part!
7. 2 parts max per person (due to there only being 22 parts the chances of getting 2 is unlikely so just keep that in mind)! And while you're asking for a part list a few that you're alright with taking! This increases your chances of getting a part!
8. Collaboration is welcome!!
9. Provide a Google Drive download link when you're finished and if not send it to blizzz.arts@gmail.com
10. LYRICS ARE REQUIRED!!! I want this MAP to challenge people to experiment and get creative especially with editing and typography! Please use the Tw Condensed font for consistency.

11. We're using a Mother Mother song here so go feral and go crazy with your part! Put some angst in there!! Have a lot of fun putting some action and expression into your parts! But at the same time feel free to take it down a notch and get those calmer scenes in wherever you think it's needed!
12. It's okay if you need to drop, but please give me a heads up in advance! I completely understand that life gets in the way but please only take part if you know you can finish it!
13. Have fun! If you don't then I'll report to the authorities. And If you read the rules add to your comment what you're going to use in your part!
