

AVID Week 5 Remote Learning: April 27- May 1.

Make sure you've filled out all the check in forms from previous weeks! THEY ARE GRADED.

Assignment:

- 1) Fill out a [weekly schedule](#). You can use this form, or any other weekly calendar form you prefer. When are you working, when are you scheduling time for each of your classes, when are you scheduling family activities, etc. **YOU WILL TURN THIS IN.**
- 2) fill out the google form I will post Thursday reflecting back on this week.
- 3) fill out the google form for your 2nd college for the final project.

Final Project: I have included the information for the final project. I want you to take this project seriously and have plenty of time to get it done. To make sure you are keeping up on it, I would like you to complete 1 college a week for the next 5 weeks. You will have a weekly check in about your college so I can verify your work.

The optional Zoom meetings will be Wednesday 2pm, and Thursday 6pm. Codes will be posted the day of the meeting in google classroom.

Enjoy your week!
I miss you all!
