Article I. Purpose

The purpose of the Nimitz High School Kings Dance Crew shall be threefold:

1. To serve as a performing group representing Irving ISD and Nimitz High School throughout the community and state.
2. To boost morale and spirit of the campus.
3. To develop character, leadership, respect for authority, and healthy living habits.

Jurisdiction

Student participation in the Kings Dance Team and other extracurricular activities is encouraged. Irving ISD makes extracurricular activities available as an extension of the regular school program. Participation in the regular curriculum is a right afforded to each student, while participation in the extracurricular program is a privilege that carries additional expectations for acceptable conduct. While students engage in, perform, compete, or participate in the Kings Dance Crew they represent themselves, their student body, and the school district while in or out of uniform. For this reason, their behavior must be exemplary and reflect the finest attributes of the total Irving ISD student body at all times and places.

Since participation in extracurricular activities is a privilege and not a right, Nimitz High School is authorized to set higher standards for these participants than it would for those students who choose not to participate in these activities. Therefore, this *Kings Dance Crew Constitution* extends beyond the Nimitz High School Student Code of Conduct not only in types of behavior prohibited, but also in corresponding consequences and jurisdiction for imposing discipline. This *Kings Dance Crew Constitution* will be enforced with all students grade 8-12 participating in the Kings Dance Crew organization regardless of:

- whether school is in session;
- whether the offense occurs on or off school property or at a school-related event;
- whether the student is directly involved with the Kings Dance Crew organization at the time the prohibited conduct occurs;
- whether the Kings Dance Crew organization is in-season; and
- where or when the conduct occurs.

It is possible that a student who violated the *Kings Dance Crew Constitution* will incur consequences from both the appropriate school administrator and from the dance director for the same particular violation.

Conduct Expectations

The following conduct is expected of all Kings Dance Crew organization participants. Failure to meet these expectations may result in disciplinary action by the director(s) / sponsor(s).

1. Student commitment to the Kings Dance Crew organization is expected for the entirety of the school year, as determined by the Nimitz HS administrators and dance director. Students are encouraged to participate in more than one extracurricular activity; however, a student may not quit the Kings Dance Crew in order to participate in another while the student is still an active Kings Dance Crew organization participant.

2. Kings Dance Crew Organization members are expected to behave in a manner that is becoming of the individual, as well as to the Kings Dance Crew as a whole. They should be aware that while in or out of uniform, they are representatives of the Kings Dance Crew, Nimitz High School, and Irving ISD, and should act accordingly in maintaining a higher standard of conduct. Kings Dance Crew organization members will abide by school codes of conduct both in and out of uniform, both at and away from school. Any question of appropriateness will be decided by the designated campus official and dance director.
3. During performances, Kings Dance Crew organization members must stay with the team at all times unless given direct permission by the dance director.
4. Dancers may not be on the field or gym floor without having a dance director available.
5. Kings Dance Crew organization members will demonstrate good sportsmanship at all times. This includes behavior toward visiting or hosting teams well as the opponent's fans. The Kings Dance Crew organization will be noted for clean, yet tough, competition. Praise your opponents while competing beyond your ability.
6. Kings Dance Crew organization members will be courteous and respectful to their teammates, directors, sponsors, teachers, classmates, and all school/district administrators at all times.
7. Kings Dance Crew members will refrain from public displays of affection while in AND out of uniform.
8. Kings Dance Crew organization members will refrain from inappropriate social media activity (see Article XII).
9. Students should arrive at all practices, workouts, meetings, and events on time and prepared, and are required to stay for the duration of the event.
10. Members should show respect for the Director, officers, visitors, teachers, administrators, staff, and each other by always replying with "Yes, sir" / "No, sir" / "Yes, ma'am" / "No, ma'am".
11. Students should follow the rules promulgated in the Nimitz High School *Student Code of Conduct*. Failure to do so may result in disciplinary measures related to the student's participation in the Kings Dance Crew organization as determined by the dance directors and campus administration.
