  - Presentation from Lakes and Stewardship Committee - Stew Arnold

- Concerns shared about the deferred maintenance on the part of Hardwick electric that is putting people and property at risk.
  - Suggestions made to make a list of concerns and present them to the Town selectboard and State in hopes to apply pressure to get things fixed.
  - Paul Fixx suggested a letter to the public utilities commission and to reach out to the new person at Hardwick Electric who's managing customer complaints and concerns. He also mentioned that decisions on the dam and anything related budgetarily to it are decided on by rate payers in all the towns Hardwick Electric services. There are 11 towns that would be voting on that.
