July, 2026

Dear Career Center High School Families,

Summer is quickly coming to an end, and we are excited to welcome our students and families back for the start of the **2026–27 school year** at Career Center High School!

This school year is especially meaningful as we celebrate a major milestone, **the 50th Anniversary of Career Center High School**. For five decades, Career Center has remained committed to its mission and vision of providing **equity of access, high-quality learning experiences, and the support students need to reach their goals with confidence and pride**. For 50 years, great minds have come together at CCHS to learn, grow, and prepare for successful futures, and we are excited to honor that legacy throughout the year.

As we celebrate our past, we also look forward to the future. Career Center High School continues to be a place where students can pursue rigorous academic opportunities, industry-recognized credentials, and meaningful career pathways while receiving the support needed to thrive both academically and personally.

The 2025–26 school year was another tremendous success. Thanks to the partnership between our students, families, staff, and community partners, we achieved outstanding results, including:

- **96.4% of students passed the classes they were enrolled in at CCHS.**
- **83% of AP exam scores exceeded state and global averages.**
- **CTE credentialing pass rates ranged from 67% to 100%, depending on the program.**
- **More than \$325,000 in grant funding was secured to enhance instruction and student opportunities.**

These accomplishments reflect the dedication and excellence that have defined Career Center High School for the past 50 years.

We will officially launch our yearlong **50th Anniversary Celebration** during our **Fall Open House on Wednesday, August 5, from 5:00–7:00 p.m.** We invite all students and families to join us as we celebrate our rich history and exciting future.

During Open House, students and families will have the opportunity to:

- Meet teachers and staff
- Tour the building
- Learn about our academic and CTE programs
- Get answers to questions about schedules, transportation, parking, and student services
- Learn about volunteer opportunities at CCHS
- Sign up to serve on our School Leadership Team (SLT)

WE INSPIRE & MOTIVATE EVERY DAY!

Nancy Martinez, Principal

As we begin this historic year, we remain focused on ensuring that every student has the opportunity to succeed. We are grateful for your continued support and partnership as we celebrate **50 Years of Great Minds Coming Together** and continue building a future filled with excellence and opportunity.

On behalf of our administration, faculty, and staff, welcome to the **2026–27 school year**. We look forward to celebrating this milestone year with you and making it one of the best years in Career Center High School history.

Warm regards,

Dr. Nancy Martinez
Principal
Career Center High School
