Interior Design

Fashion Design

Garment Designer Intern for upcoming fashion dance production, Dallas, TX

Project starts early May and end June 28, 2024

Material fee included - \$750-\$1000 + \$500 stipend

To apply, email your resume and portfolio to Jeremy Saxton, events@juniorplayers.org

We are excited to announce an incredible opportunity for fashion design students to intern, volunteer, or design for our upcoming fashion dance production. This is a unique chance to gain hands-on experience and showcase your creativity and talent in a real-world setting.

What You'll Do:

- Collaborate with our team to create costumes that complement our fashion and dance production.
- Work closely with our directors and choreographers to understand the movements and design requirements.
- Assist in sourcing materials and constructing costumes.
- Participate in fittings and make necessary adjustments.

What We're Looking For:

- Current fashion design students or recent graduates.
- A keen interest in dance and performance art.
- Backstage dressers
- Strong understanding of garment construction and fabric properties.
- Ability to work well in a team and adapt to changes.
- Creativity and a keen eye for detail.

This could be a small stipend, credit hours and or volunteer hours. The experience and portfolio development opportunities are invaluable. If you're passionate about fashion design, we'd love to hear from you!

To apply, email your resume and portfolio to Jeremy Saxton, events@juniorplayers.org

Patternmaker Internship, Antwerp, Belgium

[Patternmaker Internship - Antwerp \(fashionunited.com\)](https://fashionunited.com)

Christian Wijnants

Christian Wijnants is a Belgian fashion designer based in Antwerp. The label was founded in 2003 specializing in women's collections with a focus on knitwear and prints. We are currently looking for a Pattern maker/cutter intern for a minimal period of 3 months to start June 2024. Please note that this is an unpaid internship and a school contract is required.

Profile:

- Pattern maker student
- Knowledge of Lectra (Modaris) is a plus
- Good stitching skills
- Stress resistant while reaching deadlines
- Motivated and hard-working person, who is willing to gain experience in the development of a collection.

Job description:

- Working close with our design team you are going to be involved in:
- Developing and draping new shapes
- Stitching prototypes and toiles for the new collection
- Assisting our pattern maker team in developing new styles
- Assisting the pattern maker during fittings
- All-round support for the team in the studio
