

Volunteer Recruitment

Two previous workshops

Next workshop in early **September** to review:

- Promotional wording for volunteer recruitment leaflets and website copy
- Proforma marketing plan
- Sample website page
- Volunteer roles definitions
- Presentation of volunteer database
- Revised training pathway – draft handbook and outline pathway

Spring off work underway to discuss whether we could create an online staff/volunteer database of our own design

Thanks to everyone who has shown interest and anyone who has shared their LAR (please send more in!)

Sorry to everyone – life is really busy and Norfolk Citizens Advice is taking a lot of out of office time from me – sorry we didn't have a quicker response to this call for help
