

Thriffs South Broadway

- ★ 2nd STREET- buy, trade, sell. organized based on styles/vibe or designer (their goth/rock and Y2K sections EAT). Reasonable prices on non-designer fits. favorite thing: organization and price
- ★ Crossroads Trading- buy, trade, sell. super clean and easy to shop with cool ass employees. queerly curated. i have found many statement pieces here. favorite thing: SHOES GO HARD
- ★ Goldmine Vintage- eclectic. very cute clothes, but comes with the vintage price tag \$\$\$. place for statement pieces. favorite thing: sells new sparkly costume dresses
- ★ Arc- All around good 'ole thrift! There's always some Y2K girly dropping off the cuntiest low rise jeans! In all honesty the South Broadway location is my least favorite :/ I have great luck at the Aurora and Lakewood locations! favorite thing: half off Saturdays/color tag sales

Non-thrifts South Broadway

- ★ The Wizard's Chest- super whimsy board game shop!! costumes galore (they have a sexy section too)! costume accessories is where its at... cyber glasses, stockings and socks, wings. favorite thing: SFX makeup counter
- ★ Vanilla Kink- queer owned and queer forward adult boutique. small but mighty!!! beautiful expansive collection of fetish wear. favorite thing: fun and funky dildos (ok isnt clothes but I STILL WEAR IT)
- ★ Femme Fatale Intimates- first off, expensive. second off gorginaaaa!!! most beautiful lingerie store ive ever seen. literally so sexy and gr8. also has a masc undies section. favorite thing: super sale bin

Misc stores

- ★ Goodwill Outlet World (the bins)- iykyk... if it's your first time goin pls ask for advice! literally a warzone. favorite thing: CHEAP!!! textiles \$1.69/lb
- ★ the mall- hear me out... i still pop into the same stores i did in high school. windsor, rue 21, rainbow fashion... go into the lil hoochie stores and get you a high cut bodysuit! The mall is a rarity tho. I don't like supporting fast fashion. favorite thing: trends for cheap
- ★ Goodwill online- Auction website that sells everything! not for the faint of heart! wee bit difficult to navigate. favorite thing: getting a bid snatched from me at the last second > ;(
