

Milestone Deliverable Review Report

Deep Funding Round: 4

Project code: DFR4-NEW8

Project title: Bridging SNET AI Services To Unity Apps

Milestone number: 6

Milestone deliverable:

https://docs.google.com/document/d/1z5wfwUmm2rYQvIRusri1ioPSRyfO1G206HF5-RZ_ePE/edit?usp=sharing

Date: 16/01/2025

Status: Accepted

Feedback (Why accepted, why rejected?):

The delivered milestone includes a video overview showcasing additional demonstrated features of the application. This time, a link to a copy of the APK app build was shared. I reviewed the APK on my end, and everything was successfully verified.

If rejected, suggested changes:
