President's Report Erin Miller president@noddinhsc.org

1. Newsletter notes - Please reach out to Erin if you have language to include in the newsletter / notes
2. Room parents - There is a change to how hospitality is managed this year. Each grade will be responsible each month for hospitality to include more community involvement vs having one team own it for the full year. This is not meant to be a huge time commitment or financial burden. The teachers really appreciate it.
Sam Reyes The hydration bar was really appreciated! Snacks and cookies are great too. Please reach out if you have any questions or need help. Amy Johnson The HSC will still host three luncheons in the year (back to school, holiday, etc), so the expectation isn't that the grade level hospitality host things at the same level.
3. Meeting presentation

Teacher Remarks Kay Flodquist Christina Simpkins

 - b. Teacher grant - \$8,000
- Firm commitments from budget for 24-25 = ~\$142,000
- Emergency Funds = \$49,500
- Surplus available = \$72, 617

Committee Reports/New Business

1. Ice Cream Social [Rebecca Juarez Garcia](#) Thank you for volunteering. Over 220 families RSVP'd. We served approx. 700 scoops (yes, there were seconds!! 😊) We served approx. 100 popsicles. It was great to see so many NEW families and to have over 40 people sign up to volunteer!
2. Enrichment Drive [Erin Miller](#)
3. Volunteer Information Night
4. Pancakes & Pajamas [Sam Reyes](#) A lot of families signed up and a lot of 5th graders signed up to volunteer. Some people want to come and forgot to sign up, so we told them to come and bring money to donate. It ties perfectly with pajama day. Coffee for parents! Anyone from band can come at 7AM (band starts at 7:15AM).
5. Noddin Fest [Erin Miller](#) It's coming up! Buy your wristbands and tickets in advance. There won't be food trucks, there will be pizza. We do need volunteers, please sign up! Kona Ice will be there.
6. Teacher grant committee [Kira Heintz](#) Excited to bring teacher grants back. \$8000 set aside from surplus for these grants. Allocating \$4,000 for each half of the school year. 2023 (First Half) submission deadline is November 20th.
7. Parcel Tax [Erin Miller](#) This will be on the upcoming ballot. Please review your ballot and vote after doing your own research. This Parcel Tax is a way to support our community and our schools. Only 20% of the people in our area have students in our schools, so it will take more than just parents voting for it to pass. There is a committee with phone banking and yard signs, reach out to Erin to get connected. Per property the increase will be \$143 per year for \$2M of funding. Seniors 65+ older are exempt. Mrs Wright has been volunteering her own time for this effort. There are parents at other schools also working to help support. [Kay Flodquist](#) Teachers are also phone banking.
