Thank You for choosing Guardian Driving School

Please complete the Enrollment Form entirely with as much information as possible so I have everything required to type official DMV Documents prior to class as well as the availability for the Behind the Wheel portion.

A minimum deposit is required to secure a seat in a class. Please specify a class date you wish to secure. This enrollment is not complete until we have also received a clear photocopy of the front of the mandatory TIP Card (Temporary Instructional Permit.) This can be purchased at OMV. See proof of identity requirements to show OMV at the bottom of the enrollment page. If you need help brainstorming for options regarding proof of address for minors call me, but some ideas could be listed as dependent on State or Federal Income Tax document, Report Card, Life Insurance Policy, Bank Statement, EOB from Dr Visit to list a few.
