Career Guidance and Scholarship Awareness and Motivation, and Study Skills Workshop for class X & XII Students, AMU Schools

On 21st October 2024 at STS School (Minto Circle), AMU, Aligarh

A highly engaging and enlightening workshop on Career Guidance, Scholarship Awareness, Motivation, and Study Skills for AMU Schools (Boys) was held at A.V.Lab in S.T.S. School on 21st October 2024. The event was graced by the presence of the School Principal Mr. Faisal Nafis, two esteemed guests Mr. Shah Saud Abdali who is Co-founder and Director of Engineering and Environmental Solutions Pvt. Ltd. and alumnus of the school (Minto Circle) & Mr Raheel Ahmad, Entrepreneur and one of the sponsors of Lead Ignite Transform, also alumnus of the school (Minto Circle) and a dynamic resource person Mr. Ameen E Muddasar, Founder & CEO of CIGMA India & CIGMA Foundation, whose contribution was led to the success of the session.

The workshop began with an inspiring welcome address by Mr. Faisal Nafis, Principal who motivated the students with heartfelt words. He emphasized the importance of using this opportunity to shape their future, encouraging them to pay close attention and learn the skills that would help them succeed in both academics and life.

The highlight of the workshop was an engaging session by the resource person, Mr. Ameen E Muddassar ,who used a Power Point Presentation to deliver practical techniques on motivation and study skills. Through this, students were taught how to train their minds, maintain focus, and memorize concepts with interest. The interactive nature of the session kept the audience engaged and eager to learn. The resource person's innovative strategies for improving memory and study habits, combined with motivational tips, ensured that the students were fully gratified.

The students from RMPS AMU City School, Saiyyid Hamid Senior Secondary School (Boys), AMU ABK High School (Boys) with their escort teacher Mr. Shaub Khan, Mr. Mohd Parvez Alam and Mr. Muneer Ahmad respectively attended the workshop. Mr. Mohd Mansoor Khan also actively participated.

Mrs. Ghazala Tanvir conducted the programme.
