If a party does not return the list within the time specified, all persons named therein shall be deemed acceptable to that party. (2024)

4-13-1-b From among the persons who have been approved on both lists and in accordance with the designated order of mutual preference, the American Arbitration Association shall invite the acceptance of the mediator.

4-13-1-c If the parties fail to agree upon any of the persons named or if those named decline or are unable to act, or if any person for any other reason cannot be appointed from such list of names, the American Arbitration Association shall appoint a mediator from its other members without submitting additional lists.

Only those items of disagreement within the original scope of the negotiations will be subject to consideration. The mediator shall not have power that will bind either party.

Article 10: Staffing Pattern

- 10-1 From time to time the Board of Education may find it necessary to modify the existing organizational structure of the district in order to achieve more effective utilization of staff and/or facilities. When such a proposal would alter the existing staffing patterns at two or more sites by requiring a significant reallocation of teaching/SSP positions, a representative study committee of the affected Teachers/SSPs, selected by those Teachers/SSPs and their administrators, will be established at the sites involved to study the proposed changes prior to their implementation.
- 10-2 The committee established to study changes in staffing patterns shall be advisory to the administration and the Board of Education. The committee will be charged with making advisory recommendations, which will best suit the needs of the students in the building based on curricular needs and economic constraints.
- 10-3 Any Teacher/SSP concerned with these proposed staffing changes will receive any information which has been developed for implementation including reasons for its implementation and educational goals.

- a. A new position being established by the Board of Education
 - b. A staff member transfers or leaves the employ of the School District, for whom a replacement is required that ultimately results in a new employee being hired.
 - c. The assignment of a current part-time staff member being expanded and the Teacher holding the position choosing not to assume additional responsibility.
- 11-1-2 When filling vacancies, currently employed Teachers/SSPs shall be given the first consideration to fill these vacancies. Experience, length of service, qualifications and other criteria shall be the determining factors used in filling such vacancies.
- 11-1-3 Teachers/SSPs who have been employed in the School District for less than two (2) consecutive academic years in the same assignment, shall not be eligible for transfer unless approved by the Superintendent.
- 11-1-4 When a Teacher transfers into a new assignment that involves a change in licensure area, elementary grade level, or secondary subject area, the Teacher will be provided training prior to assuming the position as deemed necessary by the building principal following consultation with the Teacher.

11-2 Voluntary Transfers

- 11-2-1 Teachers/SSPs who desire a transfer to another teaching position, whether or not identified, shall notify the Superintendent's Office in writing prior to the last day of the school year. Said applications shall be regarded as continued until September 1 of that year, at which time all applications for transfer shall be inactivated unless first withdrawn.

- 11-2-2 All vacancies will be emailed to “All Staff” and shall be posted in the Lake Administrative Building.
 - 11-2-3 When a transfer of a Teacher/SSP is necessary due to a change in sections, a volunteer qualified for the new assignment will be offered the position or positions. If there is no qualified volunteer, a transfer may be affected by the Superintendent.
 - 11-2-4 Teachers/SSPs who apply for transfer should submit, in writing, their reasons and qualifications for the position. At the discretion of the principal/special services director, the Teacher may or may not be invited to interview for the vacancy. All applicants will be notified of the principal’s final decision. Upon request of the Teacher/SSPs, the interviewing principal will inform the Teacher of the reasons for the denial of the request.
- 11-3 Involuntary Transfers
- 11-3-1 When an involuntary transfer is being considered, the principal(s)/special services director will consult with Teacher(s)/SSP(s) involved.
 - 11-3-2 When an involuntary transfer of a Teacher/SSP is necessary, a transfer may be affected by the Superintendent. The Superintendent shall notify the Teacher involved in writing and give the reasons thereof. Consideration should be based on qualifications, need for expertise, licensure or endorsement and/or other necessary criteria.
 - 11-3-3 The principal of the school/special services director in which the Teacher/SSP is currently assigned, shall notify the Teacher/SSP of impending transfers with a specific written description of the new assignment. Upon request of the Teacher/SSP involved, the principal/special services director and the Superintendent or his/her designee will meet and discuss reasons given for the transfer. The Teacher may request that a representative of the Association accompany him/her as an observer.

13-3 Teacher Work Day

13-3-1 Teachers are salaried professionals. On contracted days, Teachers will be scheduled for no more than 8 hours per day, including a lunch and a planning period. The building Principal determines Teacher schedules. Extra-curricular opportunities not covered under Appendix B may arise, and Teachers may be asked to volunteer to support enrichment activities for students. Emergency circumstances may arise that require Teachers to extend a day beyond the typical 8 hours. (2022)

13-3-2 Fulfillment of a Teacher's professional commitment is evidenced by meeting students' educational objectives. The District acknowledges that Teachers may voluntarily work more than their contracted time. (2022)

- 13-4 Attendance at uncompensated activities will be kept at a minimum.

- 13-5 Where the class schedule allows or the faculty of a particular building agrees, a continuous duty-free lunch period of thirty (30) minutes shall be provided. In other situations, an equitable rotation of duty will be assigned Teachers. Teachers shall have the right to leave the school during their lunch period. Such lunch period shall be exclusive of passing and inter-school travel time.

- 13-6 Released time may be used to allow the staff at each school to participate in curriculum development and improvement and in-service education at the discretion of the Superintendent.
- 13-7 Elementary Teachers shall have at least 200 minutes per week for planning. Secondary Teachers will have one period daily free for planning. If scheduling permits, this planning time shall be a daily period of 40 minutes, that is continuous and uninterrupted. An individual Teacher may agree to waive this particular section. In the event that it is not possible to have a continuous planning period, the building principal will, after a cooperative planning effort with the Teachers involved, establish the planning period schedule.
- 13-8 A Teacher/SSP who is assigned by the building principal to substitute or cover another Teacher's/SSP's duties will be compensated hourly according to the district extra-duty hourly rate found on the teacher salary schedule. Minutes covered will be rounded up to the nearest half hour. Such assignments will be kept to a minimum. A Teacher assigned to substitute under the terms of this provision may not refuse to carry out such assignment per 22-2. (2023)
- 13-9 The Board of Education through the Superintendent will work with the Association President or designee to ensure that a Teacher from each site is invited to participate on a calendar committee (as defined by Board policy). Such committee will be established by October 1 of each year. Once the calendar has been adopted, any changes will be mutually agreed to by the Board of Education and the Association. (2009)
- 13-11 Student demographics will be considered when setting class size. Factors that will be considered include the number of the following: Special Education students, English Language Learners, students qualifying for Free and Reduced Meals, students identified with special behavior needs, and Gifted and Talented students. (2009)

Article 14: Class Size

- 14-1 The Board and the Association agree and recognize that appropriate class size level is critical to the education or development of young people. Both parties further agree that their mutual goal is to achieve the lowest possible number of students in each class to promote an atmosphere most conducive toward educational achievement and excellence. At the same time, both parties recognize that class size is a function of many factors

including budgetary constraints, enrollment, course objectives, subject matter, grade level, Teacher availability, scheduling patterns, and/or style or educational activity.

- 14-2 Any Teacher may request a Principal to share class size information as it is developed. Elementary principals will meet with a Teacher of any class to determine educational effectiveness. At the Middle School/High School, Principals will meet with Teachers when class size loads or class sections are unbalanced or oversized to discuss alternatives and/or rescheduling.
- 14-3 If a Teacher believes the size of his or her class is educationally improper, the Teacher may confer with his or her immediate supervisor. If the principal should determine that the Teacher's complaint is without merit, the Teacher is entitled to submit the complaint, in writing, to the Superintendent for investigation and resolution and may request the Superintendent to inform the Board in writing of his or her concerns. The Superintendent or his/her designee shall report to the Teacher, no later than seven (7) school days, the results of the investigation and recommended solution, if any.

All such extra work shall be paid as is or may be set forth in Appendix B, Additional Compensation.
- 15-1-1 Contracted inter-scholastic sporting events at the secondary level require additional Teacher duties. A request for volunteers for additional duties will be made first at the secondary level. If an insufficient number of persons volunteers for such duty, a request for volunteers will be made at all other levels in the School District. Duties not filled by volunteers as provided above, shall be assigned in an equitable manner by the building principal in charge. Voluntary acceptance of non-teaching duties shall not violate the provision of this Agreement. Payment for non-teaching duties shall be as or may be set forth in Appendix B, Additional Compensation.

- 15-4 Teachers/SSPs will be provided complimentary tickets to all activities that take place within the School District and that ticket will admit the Teacher/SSP, his or her spouse/partner, preschoolers, and children attending school in the School District. Elementary school children will be admitted only when accompanied by an adult.
 - 15-5 A list of qualified substitute Teachers is available at all times in the office of the building principal. Teachers may recommend to the principal the name of a specific substitute as a replacement during his or her absence. The principal shall honor such requests insofar as possible.

The Board of Education may, at its discretion, order that any days missed as a result of a closing be made up by Teachers/SSPs and students. - Evaluation based on statewide Quality Standards defining what it means to be an effective Teacher or special services provider; the professional practice Quality Standards account for half of an educator's annual evaluation
- The other half of an educator's annual evaluation is based on Measures of Student Learning/Outcomes
- For Teachers, non-probationary status is earned after three consecutive years of demonstrated effectiveness
- For Teachers, non-probationary status is lost after two consecutive years of less than effective ratings

Include at least ONE of the following measures as a part of the annual evaluation process:

- Student perception measures where appropriate and feasible
- Peer feedback
- Feedback from parents or guardians
- Review of Teacher lesson plans or student work samples

23-3 Final Effectiveness Rating: The final effectiveness rating of Teachers/SSPs is determined by the Professional Practice rating and the Measures of Student Learning. The culminating document must be completed in the State Model Evaluation System or in a Superintendent approved format.

The written Final Effectiveness Rating document shall be signed by both the Teacher/SSP and the evaluator prior to submission to the Superintendent, and filed in the central personnel file.

23-4 Less than Effective Final Effectiveness Rating: A Teacher/SSP whose performance is deemed to be less than effective shall receive:

- Written notice that his or her performance evaluation shows a rating of less than effective by mid- year review or as soon as possible thereafter, no later than two weeks before the end of school year
- A copy of the Teacher's/SSP's Final Effectiveness Rating
- A written improvement plan with clear steps and reasonable resources for professional development.
- After two years of less than effective ratings and a recommendation for Teacher/SSP dismissal or non-renewal is made by the Superintendent, written documentation shall be received by the Teacher/SSP prior to the meeting of the Board at which action is to be taken.

23-5 Appeals: A Teacher/SSP may appeal a final rating of less than effective in accordance with the following:

- The Teacher or SSP must file a written appeal with the Superintendent within fifteen (15) calendar days of the Teacher's/SSP's receipt of the Final Effectiveness Rating of less than effective.
- Grounds for appealing a less than effective rating shall be limited to the following:
 - a. The evaluator did not follow evaluation procedures that adhere to the requirements of applicable law and that failure had an impact on the Teacher's/SSP's performance rating; or
 - b. The data relied upon was in-accurately attributed to the teacher/SSP.
- Records of the appeals process will be maintained in the Teacher's/SSP's personnel file.

- The appeal shall be reviewed by a four person review panel including two administrators appointed by the Superintendent (one of whom may be the Superintendent), and two members appointed by GCEA. No members of the panel shall have been directly involved in evaluating the appealing Teacher/SSP.
- The Superintendent or designee shall review the appeal and the recommendation of the review panel and provide the Teacher/SSP with a written decision, including rationale, regarding the appeal within thirty (30) calendar days of the Superintendent's receipt of such appeal. The Superintendent's decision shall be final.

23-5-1 Loss of Non-Probationary Status

A Teacher loses Non-Probationary Status after the second consecutive less than effective rating if:

- no appeal is requested within 15 calendar days after receiving the second consecutive less than effective rating; or
- the appeal process results in the Superintendent's denial of the appeal within the 45 day appeal window. (2026)

23-5-2 Communications: The District will communicate this appeal process to Teachers, evaluators, SSPs, and principals.

23-6 Confidentiality: Any documents and/or proceedings related to an individual's evaluation or appeal process must be confidential and shall be shared with only those who monitor, facilitate, and participate in the process.

(2019)

Article 24: Personnel Files

24-1 Upon request, Teachers/SSPs will have the right to review the contents of their human resource personnel file and make copies of any documents contained therein.

24-2 No material derogatory to a Teacher's/SSP's conduct, service, character, or personality will be placed in the central personnel file unless the Teacher has had an opportunity to review the material. A Teacher's/SSP's signature on such material indicates that he/she has reviewed it, but does not construe agreement with the contents. The Teacher/SSP will also have the right to submit a written response to such material and his/her answer shall be reviewed by the Superintendent and included in the central personnel file.

24-3 Letters of recommendation shall be considered confidential and shall not be subject to review as provided in 24-1 and 24-2. Letters of recommendation will only be written at the request of a prospective employer or Teacher/SSP.

24-4 All full-time Teachers/SSPs shall be responsible for maintaining a current license from the Colorado Department of Education at the central office. Any Teacher/SSP who fails to keep his or her license on file shall be subject to termination or loss of pay as

determined by the Board, provided that said license is not delayed in its delivery by the Colorado Department of Education.

Article 25: Professional Development

- 25-1 The Board will provide funds to defray costs incurred by Teachers/SSPs attending instructional conferences. The amount allocated to this fund will be \$7,500.00 per year. It is agreed that no more than forty percent (40%) of this budget shall be spent prior to January 1 of each school year. Cost of substitutes required to replace personnel who are authorized to travel will not be charged to the conference fund. Teachers/SSPs will not be penalized by loss of pay or leave time for attending instructional conferences that were approved in advance by the principal/special services director.
- 25-1-1 The travel committee shall be composed of one representative from each building elected by the Teachers/SSPs of that building.
- 25-1-2 The travel committee shall receive requests for travel funds from Teachers/SSPs and shall act on the merits of such request. The travel committee shall determine the rate of reimbursement for travel-related expenses.
- 25-1-3 The administration shall have the right to request Teachers/SSPs to attend conferences necessary for the improvement of instruction and expense for such conference will be paid from this conference fund at the rate approved according to 25-1-2.
- 25-1-4 Requests from Teachers/SSPs to be absent to attend instructional conferences shall be submitted to the principal/special services director to seek his/her approval no later than five (5) school days prior to the date of the anticipated absence. The principal/special services director may waive the five (5) day notification. The travel committee shall establish its own time-line concerning deadlines for requests for funds.
- 25-1-5 The building principal/special services director shall have the authority to approve or disapprove each Teacher's/SSP's absence.
- 25-1-6 Payments from the conference fund will be made after the trip has been taken and upon receipt of adequate records and/or reimbursement receipts. In unusual circumstances, the restriction can be waived.
- 25-1-7 If a Teacher/SSP is anticipating an out-of-town trip, a school vehicle will be used if available. If a school vehicle is available and not used, the only reimbursement will be the actual cost of gasoline.

25-2 Course Approval: Before taking a course to gain advancement on the salary schedule, including individual courses in an approved Masters program, Teachers/SSPs shall submit the official Course Approval form and a course description. See Appendix C.

25-3 Graduate credit for advancement on the salary schedule will be granted under the following guidelines:

25-3-1 College graduate credit will be recognized for horizontal advancement on the salary schedule provided these credits meet Colorado Department of Education requirements for the renewal of a Colorado License. Courses covered by the criteria below in 25-4-22-1-a will be considered on an individual basis by the Superintendent or designee. If a question arises as to the acceptability of a course, it shall be referred to a committee composed of two Teachers/SSPs and two administrators. The Teachers/SSPs who serve on the committee shall be appointed by September 15 of each school year by the Association. The committee will come to consensus on the acceptability of a course. The decision of the committee shall be final.

25-3-1-a. The course is approved in advance by the Principal/Supervisor as being acceptable by one of the following:

- 1) Graduate credit is consistent with the position and/or area to which the Teacher is assigned or aligned with the definition of Highly Qualified Teacher.
- 2) Graduate credit is toward an advanced degree, which is consistent with the teaching position and/or area to which the Teacher is assigned and such degree program has received prior instructional approval.
- 3) Graduate credit taken is beneficial to the School District as well as the Teacher in his/her role as a professional educator.

25-3-1-b. If prior approval has not been obtained before a course is taken, the Teacher/SSPs will present the request for late approval to the principal/special services director. The said principal/special services director will base the decision on the criteria set in 25-4-22-1. If the course is denied by the principal/special services director, the Teacher/SSP has the option to appeal to the committee. The decision of the committee shall be final.

25-4 In certain situations a Continuing Education Unit (CEU) may be recognized for horizontal advancement on the salary schedule for SSPs or when a Teacher must take a course required to maintain licensure and the course has no available graduate credit.

25-4-1 CEU credits that are approved will be subject to the same timelines and processes described in 25-3 and Appendix C.

25-4-2 CEU Courses can only be approved by a District Office Administrator. The District Office Administrator will take the following items into account:

- A. Employment Status of the Applicant. CEU credits are primarily considered for SSPs. When a Teacher must take a course required to maintain licensure and the course has no available graduate credit, CEUs may be granted by the District.
- B. The certifying body for the CEU credits must be an accredited organization in order for CEU credits to be used for salary advancement, or approved by the District in cases when a Teacher must take a course required to maintain licensure and the course has no available graduate credit.
- C. A description including the number of the hours required to earn the CEU. One standard CEU requires 10 contact hours. Fifteen (15) contact hours will be required to earn one advancement credit on the salary schedule.
- D. More than one Continuing Education Unit course may be needed to equal one advancement credit that is required to move on the salary schedule. There will be no credit towards movement until the SSP or Teacher has accumulated 15 contact hours in Continuing Education Unit courses.
- E. No graduate credit was available for the CEU course.
- F. Gunnison Credits are a poor match for the course, for example when a CDE course is 45 clock hours but Gunnison Credits are limited to two credits (and three would be more appropriate for 45 clock hours).

25-4-3 For Teachers/SSPs unable to move horizontally on the salary schedule because they have reached the furthest right column that exists on the schedule, the district may offer a stipend in lieu of accepting CEUs for horizontal advancement. Additionally, the district may allow each Teachers/SSP to choose a stipend instead of CEU credits regardless of a Teacher/SSP's position on the salary schedule.

25-5 Regarding horizontal advancement:

25-5-1 No credit will be recognized for horizontal advancement beyond the MA level if it was earned prior to the time the MA degree was awarded by the institution.

25-5-2 Teachers/SSPs who are eligible for horizontal advancement must submit appropriate documentation to Human Resources by September 15 for advancement to occur in that academic year. Proof of completion of academic hours may include unofficial transcripts, grade cards, or letters from instructors. Official transcripts or Certificates of Completion for CEUs are required and must be submitted BY OCTOBER 15 to the Human Resources Office.

25-5-3 The Teacher/SSP may advance only ONE horizontal step each academic year. The only exception to this rule will be for Teachers who earn a Master's degree or Doctorate degree.

(25-2 to 25-5: 2023)

Article 26: Supervision of Interns

26-1 No Teacher/SSP shall be required to supervise an intern.

26-2 A Teacher/SSP who supervises an intern shall have a minimum of three (3) years of teaching/professional experience, as least two (2) of which have been in the Gunnison Watershed School District RE-1J.

26-2-1 There shall be no experience requirements for hosting classroom observers.

26-3 No Teacher/SSP shall be permitted to supervise more than one full-time equivalent intern.

26-4 Supervising Teachers/SSPs shall work with the university program coordinator and the building principal/special services director in developing extensive field work for interns to observe and practice the arts and skills of the profession.

26-5 The intern shall be directly responsible to the supervising Teacher/SSP, and subject to the overall authority of the principal/special services director.

26-6 The Association shall establish policies and procedures for the administration and award of tuition waivers received by the School District. The School District shall remain as custodian of said funds and disburse the same according to the written instructions of the Association.

(2022)

Article 27: Student Discipline

27-1 It is understood that the School District must assume responsibility to provide support and assistance in order for Teachers/SSPs to maintain control and discipline while engaged in their duties and responsibilities as Teachers. Teachers/SSPs shall enforce rules and regulations governing student discipline established at the building level by principals and Teachers.

27-2 In the event a Teacher/SSP is assaulted or injured while carrying out his/her duties and responsibilities as an employee of the School District, a district administrator shall immediately, upon being made aware of the incident, contact the appropriate law enforcement agency to initiate a criminal investigation. In such a circumstance, or when a Teacher is injured while carrying out his/her duties and responsibilities as an employee of the School District, the Teacher/SSP shall not be charged with such time lost. The School

District reserves the right to require a Teacher/SSP to provide a physician's certification in such instances.

- 27-3 The School District will reimburse a Teacher/SSP for damage or destruction of clothing resulting from a bodily assault while carrying out his/her duties and responsibilities as an employee of the School District.
- 27-4 Whenever possible, an officer of the School District, rather than a Teacher/SSP, shall initiate a complaint arising from criminal acts against the School District.
- 27-5 If any Teacher/SSP is complained against or sued as a result of any action taken by the Teacher/SSP while acting within the scope of his/her employment, the Teacher/SSP may request the Board's assistance in the preparation of his/her defense. Upon receipt of such request, the Board may instruct its attorney to consult with the Teacher's/SSP's legal counsel and to render necessary assistance to the Teacher/SSP in preparation of his/her defense.

(2000)

Article 28: Parental and Student Complaints

- 28-1 To facilitate better communication an affected Teacher/SSP shall be notified as soon as possible of any verbal complaint by parent/legal guardian and/or student.
- 28-2 Every effort will be made by the principal/special services director to encourage a resolution of the complaint by a meeting between the parent and/or student and Teacher/SSP. If the parent chooses not to pursue the complaint, the matter will be considered ended. In the event that the parent or student is unwilling to meet with the Teacher/SSP alone, the principal shall offer to meet together with the parent and/or student and Teacher/SSP in an effort to resolve the complaint.
- 28-3 If no resolution of the matter is reached between the principal/special services director, Teacher/SSP and parent or student, the complaint will be presented to the Superintendent, in writing, with copies to all parties involved.
- 28-4 If a resolution has not been reached, the complaint may be presented to the Board of Education. Complaints to the Board against individual Teachers/SSPs shall be in writing and signed. The Board shall have a reasonable opportunity to investigate the alleged complaint prior to any public discussion. The complaint and its resolution shall be filed in the administrative offices and shall not be made part of the Teacher's/SSPs personnel file.

Article 29: Annual Leave

The Association and Board of Education believe the most effective learning takes place in a consistent structured environment. We believe that the assigned Teacher's/SSP's presence is vital to a quality education. Annual leave is provided in the event that a Teacher/SSP needs to be

absent due to illness or other personal reasons. The leave concept works most effectively when all parties communicate in its application.

29-1 Leave shall be provided to the Teacher/SSP upon employment to the School District. Unused leave accrues and is credited to the individual's account (refer to Article 29-1-7; 29-1-9).

29-1-1 Again, the Association and Board of Education believe the most effective learning takes place in a consistent, structured environment. We believe that the assigned Teacher's/SSPs presence is vital to a quality education.

- a. It is the joint responsibility of the Teacher/SSP and principal or supervisor to determine the need and impact of requested leave so that the principal or supervisor may consider approval for leave.
- b. Each Teacher/SSP shall be credited eleven (11) days of annual leave per school year without loss of salary. New Teachers/SSPs who complete orientation days at the beginning of the year shall receive an additional annual leave day for each orientation day completed, up to two additional days. (2024)
- c. Each Teacher/SSP shall be credited eleven (11) days of annual leave per school year without loss of salary.
- d. The leave request form shall be submitted to the principal or supervisor for consideration of approval. For a pre-planned event, requests for leave shall be submitted to principal or supervisor three (3) days in advance of the day to be absent, if possible.
- e. Under the following circumstances, the leave request shall have a different process:
 1. Usage that exceeds three (3) consecutive school days, (2023)
 2. or exceeds eleven (11) annual leave days,
 3. or is combined with any designated adopted district calendar breaks before and after; work days; staff development days; parent/Teacher conferences; first week of school with students, and last week of school with students;

In any of these instances, the leave form shall be submitted to the Principal or Supervisor. Following approval from the Principal or Supervisor, the Teacher/SSP requesting leave shall also email leave@gunnisonschools.net for Superintendent approval and cc the Principal/Supervisor. The Administrative Assistant to the Superintendent will check this email daily and pass any request to the Superintendent for approval in a timely manner. Within a week of the request, the Superintendent will email the Teacher/SSP, Principal, and Payroll Specialist indicating if the request is approved or denied.

Teachers/SSPs should not make any reservations or pay for travel until final approval is granted. (2022)

- f. High use days shall be posted via email to Teachers/staff and throughout the School District. During the times of shortage of substitute resources, for all subsequent leave requests, the principal will prioritize assigning substitutes as follows:
 - 1. Sick/Bereavement
 - 2. Emergency
 - 3. Personal

Once approval for a paid day of leave is granted, it is guaranteed and the teacher can proceed with making plans.

29-1-2 In an attempt to educate Teachers/SSPs and building administration the following steps shall be taken:

- a. A common presentation will be made to all professional staff of each site at the beginning of the school year by the principal, the building Association representative and GCEA president/designee on the specific components of this article and its application.
- b. The School District's Mentor Program shall include: a review of Article 29 Annual Leave, Article 29-2 Collective Leave Bank, Article 30 Temporary Leave, Master Agreement, board policy, staff handbooks, professional ethics and standards, and other items relevant to the profession as it manifests itself in this School District. The program will be presented jointly by a GCEA representative and an Administrative representative.
- c. At critical times during the school year, before and after vacation calendar days, first week of school with students, last week of school with students, staff development days, in-service days, parent-Teacher conferences, work days; the Association and building principal at each site shall issue a statement reminding Teachers/SSPs about appropriate use of leave provision.

29-1-3 When a Teacher/SSP is appointed after the beginning of the work year, the number of leave days to which he/she shall be entitled will be in proportion to the number of days of service he/she is to complete to the number of days in a regular contract year.

29-1-4 In the event that leave is exhausted, a Teacher/SSP may submit a written request to Superintendent for up to five (5) days of leave that may be borrowed from leave of the next school year. In the event the Teacher/SSP does not return to the School District the next school year, the School District shall be reimbursed for the days borrowed at a per diem of one contract day.

29-1-5 Leave shall be charged against a Teacher/SSPs according to the following guidelines:

- a. Elementary Teachers/SSPs
 - o Less than half a day in clock hours ½ day
 - o Half day or more in clock hours 1 day
- b. Middle and High School Teachers
 - o Three periods or fewer per day (excluding planning) ½ day
 - o Four periods or more per day 1 day

29-1-6 All previously accrued leave benefits shall be returned to those Teachers/SSPs returning to the School District from School District approved leaves.

29-1-7 Unused annual leave shall be accrued to the Teacher's/SSP's individual account. Leave may be used for medical purposes, personal illness, accidents, bereavement, and for illness of a member of immediate family or when acting as a designated caregiver. (2019)

29-1-8 Exceptions to denial of leave may be granted by the Superintendent after written appeal.

29-1-9 Teachers/SSPs having more than seventy-five (75) days of accumulated annual leave may request reimbursement of unused annual leave at the rate of \$50 per day. Reimbursement may not exceed six (6) days during any year for any one Teacher. Payments under this Article may not exceed in the aggregate \$4,500.00 in any one-budget year. Applications for reimbursement shall be filed with the Business Manager not earlier than the last day of the school year and no later than June 15 of any given year. In the event that applications for accumulated annual leave reimbursement in any given year exceed a total of \$4,500.00 for the School District, payments shall be prorated between those Teachers/SSPs requesting annual leave according to the number of days tendered for repurchase. Teachers/SSPs must use Appendix H in requesting reimbursement of unused annual leave.

29-1-10 Commencing July 1, 1997, upon retiring after at least twenty (20) years of service in the School District, the School District will reimburse the retiring Teacher/SSPs for any accumulated annual leave days up to and including 100 days at a rate of \$50 per day. Teachers/SSPs must use Appendix I in requesting reimbursement of unused annual leave. Applications for reimbursement shall be filed with the Business Manager by March 1 of the year prior to the retirement year.

(2009)

29-2 Collective Leave Bank

- 29-2-1 Collective Leave Bank days can be accessed by Leave Bank Members (see 29-2-2) when a Teacher/SSP experiences a qualifying event under the [Federal Family and Medical Leave Act \(FMLA\)](#) or the [Colorado Family and Medical Leave Insurance \(FAMLI\)](#). Those events include but are not limited to:
- a. For the birth and care of the newborn child of a Teacher/SSP;
 - b. For placement with the Teacher/SSP of a child for adoption or foster care;
 - c. To care for an immediate family member (i.e., spouse, child, or parent) with a serious health condition
 - o The FMLA defines a serious health condition as an illness, injury, impairment, or physical or mental condition that involves either inpatient care or continuing treatment by a health care provider. Both physical and mental health conditions qualify for leave. (See [FMLA Fact Sheet 28P](#) for details regarding what qualifies as a serious health condition.); or
 - d. To take medical leave when the Teacher/SSP is unable to work because of a serious health condition.
 - e. Any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a covered military member on "covered active duty" or to care for a covered servicemember with a serious injury or illness
 - f. Safe Leave provides employees job-protected time off to attend to their needs if they or a family member have experienced domestic violence, stalking, abuse, sexual assault, or other situations. (FAMLI)

The lettered items above provide a general overview, and the FMLA and FAMLI guidance as indicated on the websites linked above contain complete information regarding qualifying conditions. US Department of Labor and State of Colorado guidance shall be consulted for questions regarding what conditions qualify.

Additionally, members of the Collective Leave Bank can access bereavement leave as indicated in 30-5. (2025)

- 29-2-2 Each Teacher/SSP enrolling in the Collective Leave Bank (CLB) shall contribute two (2) days of annual leave to the bank per year for a period of three (3) consecutive years. Teachers/SSPs may enroll between September 1 and November 1 each year. Teachers/SSPs enroll by signing this form ([LINK](#)). By signing this form, the Teacher/SSP agrees to the automatic deduction of 2 days per year for three years to become a continuing member.

Contributions are reflected on the November paystub. A Teacher/SSP who contributes their first year is considered a member of the CLB unless they opt out of membership.

If the Teacher/SSP no longer wants continued membership during that three year period, they must opt out with this form between September 1 and November 1 of a year. (create form and link in MA) Days already contributed to the CLB will not be returned to the Teacher/SSP. A Teacher/SSP who uses CLB days in their first three years of membership cannot opt out of membership. If a Teacher/SSP opts out of membership, they can re-join and contribute 2 days per year for three consecutive years. (2026)

- 29-2-3 Teachers/SSPs who have contributed to the bank for three (3) consecutive years shall become continuing members. If, at the beginning of a school year, the total number of days in the bank has dropped below 500, the district will deduct two (2) days from the annual leave of each continuing member of the bank to be credited to the Collective Leave Bank.

Continuing members can donate as many of their annual leave days as they would like to the Collective Leave Bank between September 1 and November 1 of each year or upon resignation or retirement. (2026)

- 29-2-4 Teachers/SSPs shall use 50% of the balance of their accumulated annual leave days as of the date of application to the Collective Leave Bank, if available, prior to utilizing the Collective Leave Bank days. If a teacher has fewer than 10 accumulated days, they may retain up to 5 days of annual leave. If Teachers/SSPs exhaust their annual leave but need additional days for conditions not included in 29-2-1, they may borrow up to 5 days from their next year's annual leave, pending Superintendent approval as per 29-1-4. (2025)

- 29-2-5 A maximum of sixty (60) days may be drawn by one individual during any school year from the bank. A member may apply for up to thirty (30) days by following 29-2-6. A member may reapply for up to another thirty (30) days if so needed per 29-2-6. For each request to the Collective Leave Bank, the applicant will follow 29-2-6.

29-2-6 Requests to the Collective Leave Bank

- a. A Teacher/SSP requesting the use of the Collective Leave Bank for the birth and care of a newborn, or for the addition of a child through adoption or foster care, must make a written request explaining the circumstances and nature of the request (duration of leave, dates requested, continuous or intermittent) to the Collective Leave Bank Chair.
- b. A Teacher/SSP requesting the use of the Collective Leave Bank for a serious health condition must fill out the [FMLA Form WH-380-E](#) (for serious health condition of employee) or [FMLA Form WH-380-F](#) (for serious health condition of a family member) and submit it to the Collective Leave Bank via the District's electronic workflow system.
- c. Approval or denial for Collective Leave Bank days will be made using FMLA guidance as referenced in 29-2-1 and must be given by the

Collective Leave Bank Committee composed of five (5) members who broadly represent the Gunnison County Education Association. The majority consensus of the committee is final. Decisions will be made within 7 calendar days of application. All information will be confidential. Employees requesting Collective Leave Bank days will not be allowed to attend the meeting at which their request is being discussed.

- d. A copy of the Collective Leave Bank approval/denial and the completed FMLA Form will be sent to the Payroll Specialist, the Collective Leave Bank Chair, and the Superintendent by the Teacher/SSP requesting leave.

(2025)

29-2-7 The Collective Leave Bank will remain effective if 50% of the eligible Teachers/SSPs are continuing or contributing members of the bank each year.

29-2-8 In the event that an applicant is incapacitated and therefore is incapable of applying for the Collective Leave Bank, the committee reserves the right to apply for that Collective Leave Bank member.

29-2-9 Leave Options

Teachers/SSPs who experience a qualifying event as described in 29-2-1 can access the following forms of leave:

- a. Annual leave (paid)
- b. Collective Leave Bank (if a member of the Bank) in two up-to-30-day increments (paid)
- c. FMLA (salary unpaid by the District; District-paid benefits continue)
- d. Extended Leave of Absence (unpaid and District-paid benefits not included - see article 31),

A Teacher/SSP can use these leave options in any order, with the stipulation that before using Collective Leave Bank days, the Teacher/SSP must use at least 50% of their accumulated annual leave as described in 29-2-4.

Intermittent leave may be an appropriate design for some qualifying conditions. Intermittent leave must be approved by the principal/supervisor and superintendent and will be contingent on appropriate substitute coverage, sufficient notice to ensure smooth classroom operations, and any other conditions the principal/supervisor or superintendent identify as necessary.

FMLA leave is unpaid by the District. Employees may self-select coverage under FAMI and use it at the same time as FMLA.

(2025)

Visitation Leave

- 30-1 Teachers/SSPs may be granted leave without loss of pay for the purpose of professional visitations or attending meetings or conferences which are of an educational nature. - 30-2 A Teacher/SSP involved in any legal proceeding arising out of his employment with the School District and in the proper exercise of his or her duties, shall be granted necessary leave without loss of pay.
- 30-3 Each Teacher/SSP shall be granted leave when called for jury duty or subpoenaed as a witness. The Teacher/SSP shall turn over to the Board any payment received for such service and no deduction shall be made from the Teacher's/SSP's salary.

- 30-5 Teachers/SSPs may access up to 5 days per death from the Collective Leave Bank according to the conditions outlined in 29-2-4. Bereavement leave may be used for the death of an immediate, chosen, or extended family member; domestic partner; or friend. (2026)

Association Leave

- 30-6 Twenty (20) days of professional leave shall be granted to the Association during the school year to be used by its members for Association business. The Association and the School District will split the substitute pay of the days used up to twenty (20) days. If the Association member holds a CEA position, an additional ten (10) days will be granted with CEA reimbursing the School District for substitute pay. Such leave shall be for professional activities that are educational in nature.

Other Temporary Leaves

- 30-7 Other temporary leaves of absence may be granted by the Superintendent with a deduction of a per diem of one contract day of the Teacher's/SSP's annual salary.
- 30-8 Teachers/SSPs who resign during the school year will have all future leave requests approved or denied by the Superintendent from the date of the letter of resignation through the last day of the work year.

(2003)

Article 31: Extended Leaves of Absence

General Provisions

- 31-1 Extended leaves of absence granted under this Article shall be without pay except as specified for sabbatical leave or as described in the FMLA. All accrued benefits and credits will be restored to a Teacher/SSP upon returning to employment.
- 31-2 All requests for extended leaves of absence or renewals will be made in writing to the Superintendent of Schools for consideration by the Board of Education.
- 31-3 A Teacher/SSP returning from an extended leave of absence shall be allowed to return to the same position, which he/she previously held. If that position does not exist the Teacher/SSP will be given a position based upon seniority, qualifications, need for expertise, licensure or endorsement and/or other necessary criteria. - 34-1 As provided in state law and Board policy, the Board may cancel the employment contracts of Teachers/SSPs when there is a justifiable decrease in the number of positions as a result of a fiscal exigency or program change as determined by the Board. If a fiscal exigency occurs in the middle of the school year, Teacher/SSP staff reductions at that time will occur only after all other options have been considered.

- 34-2 Before any meeting of the Board at which the Board will consider a proposed resolution or decision that a fiscal exigency exists or a program change is to be made that may require the cancellation of the employment contract of one or more Teachers/SSPs, the Superintendent shall meet and confer with the designated representatives of the Association regarding the nature and extent of the fiscal exigency or proposed program change, and regarding any plan then contemplated by the administration for reduction of positions. The parties agree that such additional factors shall be applied as follows:
- (1) as between Teachers in the same endorsement area for whom the factors set forth subsections 34-3-1 and 34-3-2 above are not determinative as to whose employment contract should be cancelled, the Probationary I Teachers should be cancelled first, Probationary II Teachers second, and Probationary III Teachers third, before the employment contracts of non-probationary Teachers are cancelled; and
 - (2) as between non-probationary Teachers in the same endorsement area for whom the factors set forth subsections 34-3-1 and 34-3-2 above are not determinative as to whose employment contract should be cancelled, the employment contracts of non-probationary Teachers will be cancelled in the inverse order of seniority (i.e., least senior non-probationary Teachers first).
- 34-5 In the event one or more positions again become available within the District, they shall be first offered to Teachers/SSPs whose employment contracts have been cancelled within the last twelve (12) months pursuant to a reduction in force under this Article. Such offers shall be made to Teachers/SSPs in reverse order of the reduction in force, and upon rehiring, all previously accrued benefits under the terms of this Agreement or by statute shall be restored.

If

Memorandum of Understanding
2026-2027
Between Gunnison Watershed School District & Gunnison County Education Association

1. Reevaluate Collective Leave Bank (annually)
2. Review our new 22-3 Due Process to see if there are concerns/adjustments
3. Study how to get teachers/SSPs more unregimented work time including a survey of teachers/SSPs
4. Adjust Article 33-2 to reflect change in Longevity payment from being paid over 12 months to being paid in one lump sum in July.
5. The District and Association agree to review:
 1. The current Master Agreement language referencing TECDA equivalency for SSPs, including how due process protections are defined and applied.
 2. Potential options for establishing a probationary and non-probationary status system for SSPs, similar in structure to that used for teachers, including:
 - timelines for attaining non-probationary status
 - distinctions in employment protections
 - implications for discipline, non-renewal, and dismissal

During the 2026/2027 school year The District and Association will:

- Utilize regularly scheduled 3x3 meetings during the 2026–2027 school year to:
 - study current language
 - review examples from other districts
 - discuss legal and practical considerations
 - collaboratively draft potential revisions
- Share relevant information and resources to support informed discussion.
- Engage in dialogue with the goal of developing mutually acceptable language.

The intended outcome of this process is to:

- Develop draft language for potential inclusion in the Master Agreement
- Clarify expectations and protections for SSPs
- Ensure any proposed changes are thoughtful, clear, and aligned with District and Association priorities

Any proposed changes resulting from this work will be subject to the formal negotiation and ratification process.

This MOU shall remain in effect for the duration of the 2026–2027 school year unless extended by mutual agreement.

If time allows:

- Consider condensing the salary schedule
 - Notes from 2024-2025 (this topic was also tabled for 2025-2026):
 - Discuss questions from the slide deck about salary schedules.
 - Lisa D has more information
 - Benefits: younger teachers get more money sooner and more across their careers and bc PERA won't be enough for retirement on its own, this can help with young teachers saving for retirement
 - What are we trying to incentivize?
 - We want to be able to recruit folks to GWSD
 - We want to be able to retain folks in GWSD
 - What other structures for salary schedules exist?
 - Lisa D has example salary schedules
 - Concern about different %s that now exist in steps and horizontal movement
 - Should we letter the steps instead of number them?
