Dear Sir/ Madam,

Apply to: PHP Developer position

Having read your recent advertisement on the ViecLamVui.com website for the vacancy of PHP Developer, I write to apply for the post.

I have a degree in Computer Science and three years of experience working as a PHP Developer at DEF Company operating in the fields of multimedia and web-based software development. I am responsible for developing websites and others tools, managing, optimizing and integrating various assets (information, images, animations, creative concepts and videos) to achieve desired objective, connecting to back-end data via middleware or static

data, creating and implementing various applications…At here I have experience working with PHP, MySQL, Javascript.

My technical proficiencies include demonstrated expertise in web architecture, HTTP, XML and a profound knowledge of Zend framework and MVC, Flex, HTML5/CSS3. I have ability to work under pressure and meet deadline of the project. I am also self-motivated in problem solving, have attitude to learn quickly, ability to work effectively both in a team environment and independently.

I am positive that I can meet your company's requirement with my experience, background, and skills. I look forward to hearing from you at your earliest convenience. Thanks so much for your time and consideration.

Yours faithfully,

Nguyen Van A
