Assignment #7 Chapters 127-139 Name:

Share this just like you did the other assignments.

The big thing in this reading is Christopher hitting his father. Take some time to think about how this may impact their relationship, if any at all.

Now, the assignment for this chapter deals with the Cottingley Fairies. You guys are going to do some research. I want you to find some web pages about the Cottingley Fairies and then list out five things you learned about it that is NOT included in this chapter. Then you are going to paste in four photos that the girls took that are not included in our book.
