	Personal Info:	I have been an educator with SDUSD for 26 years, with the majority of my classroom experience in 2nd grade. From 2021 to 2024, I served as a Central Office Resource Teacher, supporting reading and writing development for all learners K-3 as a reading support teacher. I take great pride in my work with children and strive to bring excellence and care to every learning experience. While literacy has been a central focus of my career, I have a special love for math and enjoy helping students explore real-life math through multiple representations. Outside of the classroom, I love camping and spending time with my family. As both a military child and spouse, I understand the unique strengths and challenges that come with military life, and I am honored to serve the community here at Salk Elementary School.
	Attendance MATTERS	Special Notes: • Please make sure your child arrives at school each day on time (in line before 7:45)-instruction starts promptly at 7:50. • Pick up time is at 2:10 pm every day except Thursday at 12:15 pm. • Please make sure if you are running late after school to find a trusted person to pick your child up on time.
