**[IF ANSWERED]**

Hi! My name is \_\_\_\_\_ and I am a volunteer for Lisa Grafstein and Safiyah Jackson. Are you [voter name]?

We are chatting with folks in the district today to learn about the issues that are most important to you and tell you a little bit about these candidates, and ensure you have a plan to vote. Important issues are at stake this year like reproductive rights and public education funding.

Lisa and Safiyah's races are some of the most competitive races in North Carolina this year, and winning them can be the reason we break the Republican Supermajority in the General Assembly, so your vote really matters.

Let me tell you a little bit about Lisa and Safiyah. Lisa is a civil rights lawyer. She's finishing her first term in the State Senate where she has been a vocal advocate for voting and reproductive rights. Safiyah has spent 20 years as an early childhood advocate, and before that had 6 years of experience in business. If elected, Safiyah wants to restore our rights and fight for fair policies for North Carolina families.

Based on what you know about Safiyah and Lisa so far,
