1. Invitation to Tender

Jubba Youth Association (JYA) hereby invites eligible, qualified, and legally registered pharmaceutical suppliers and medical supply companies to submit competitive technical and financial quotations for the supply and delivery of essential medicines and medical supplies under its Somalia Humanitarian Fund (SHF)-supported project in Sakow District, Jubaland State of Somalia.

The procurement aims to ensure the timely availability of quality-assured essential medicines and medical supplies to support integrated health and nutrition services for vulnerable communities affected by climatic shocks and humanitarian emergencies.

Interested suppliers are invited to review the requirements in this tender notice and submit complete quotations in accordance with the instructions and requirements outlined below.

The full tender notice and Bill of Quantities (BoQ) may be obtained from the JYA office in Kismayo, Farjano Village, or accessed through www.jubalandjobs.com.

2. Scope of Supply

The successful supplier(s) will be responsible for supplying and delivering the medicines and medical supplies listed in the attached Schedule of Requirements. The scope includes:

- Supply of the specified medicines, pharmaceutical products, and medical supplies.
- Provision of products that meet the stated specifications and applicable quality standards.
- Safe packaging, appropriate labelling, and transportation of the products.
- Delivery within the agreed timeframe to the JYA Office/Warehouse in Kismayo, as specified in the supply contract.
- Provision of invoices, delivery notes, batch numbers, expiry dates, and other relevant quality documentation.
- Replacement, at the supplier's cost, of products that are damaged, expired, counterfeit, substandard, incorrectly supplied, or otherwise fail to meet the agreed specifications.

JYA reserves the right to award the contract in full or in lots, depending on its procurement requirements, available budget, and the outcome of the evaluation.

3. Eligibility Requirements

Interested bidders must meet the following minimum requirements:

1. Be a legally registered pharmaceutical supplier, wholesaler, distributor, or medical supply company authorized to supply the products offered.
2. Possess a valid business registration certificate and applicable pharmaceutical importation, distribution, or operating licences.
3. Demonstrate relevant experience supplying medicines and medical commodities to humanitarian organizations, health facilities, or other institutional clients.
4. Submit a detailed financial quotation covering the required items, quantities, unit prices, and total prices.
5. Confirm the availability of the quoted products and their ability to deliver within the proposed timeframe.
6. Provide manufacturer information, product registration details, and quality assurance documentation where applicable.
7. Demonstrate the capacity to maintain appropriate storage and transportation conditions for pharmaceutical products.
8. Declare any actual or potential conflict of interest relevant to the procurement.
9. Accept JYA's applicable procurement, inspection, delivery, and payment terms.
10. Comply with applicable anti-fraud, anti-corruption, safeguarding, and ethical business requirements.

4. Technical and Quality Requirements

All medicines and pharmaceutical products offered must comply with the specifications in the Schedule of Requirements and applicable pharmaceutical regulations. Bidders must ensure that:

- Products are genuine, quality-assured, and obtained from authorized manufacturers or distributors.

- Products are supplied in their original, intact packaging, with clear product names, strengths, dosage forms, batch numbers, manufacturing dates, expiry dates, and storage instructions, as applicable.
- Products are accompanied by relevant certificates of analysis, product registration documents, or other quality assurance documentation when required.
- Products meet applicable national regulatory requirements and relevant WHO quality standards. Products specifically marked WHO-prequalified must meet that requirement.
- Products have adequate remaining shelf life at delivery. Unless otherwise specified in the purchase order, bidders should confirm that products will have at least 18 months of remaining shelf life or at least 75% of their total shelf life, whichever requirement is applicable and agreed by JYA.
- Cold-chain or temperature-sensitive products, if any, are transported and stored under the required conditions.
- No expired, counterfeit, damaged, falsified, or substandard products are supplied.

JYA reserves the right to inspect and verify products before acceptance and to reject items that do not meet the agreed technical or quality requirements.

5. Schedule of Requirements / Bill of Quantities

Bidders must quote against the following list and identify the manufacturer, brand or generic name, dosage form, pack size, unit price, and total price for each item.

6. Delivery Requirements

The successful bidder(s) shall:

1. Deliver the awarded items within the timeframe agreed in the supply contract.
2. Ensure that products are appropriately packed and protected during transportation.
3. Provide a delivery note and invoice identifying the supplied items, quantities, batch numbers, and expiry dates.
4. Facilitate inspection and verification by JYA's authorized representatives.
5. Replace rejected items at no additional cost within the period agreed with JYA.

Delivery location: JYA Office/Warehouse, Farjano Village, Kismayo, Jubaland State, Somalia. The delivery schedule will be specified in the supply contract.

7. Evaluation and Award Criteria

Tenders will be evaluated in accordance with JYA's procurement procedures and applicable SHF requirements. The evaluation may include:

- **Administrative compliance:** Completeness of the submission and required documents.
- **Supplier eligibility:** Valid registration, relevant licences, and demonstrated capacity.
- **Technical compliance:** Conformity with product descriptions, strengths, dosage forms, pack sizes, quality standards, and required documentation.
- **Financial competitiveness:** Reasonableness and competitiveness of quoted prices, including delivery costs and applicable taxes.
- **Delivery capacity:** Ability to supply the required quantities within the agreed timeframe.
- **Past performance:** Relevant supply experience and satisfactory references, where applicable.

Bids will first be checked for administrative, eligibility and technical compliance. The contract will then be awarded to the lowest-priced bid that is fully compliant with the eligibility, technical, quality and delivery requirements of this tender. A lower-priced bid that fails any mandatory requirement will not be accepted, and the reasons will be recorded in the bid evaluation minutes.

The successful bidder will be required to sign a supply contract with JYA before any order is placed.

JYA reserves the right to seek clarifications, verify submitted information, reject non-responsive bids, cancel the tender, or award all or part of the requirements in accordance with its procurement procedures.

8. Tender Submission Instructions

Interested suppliers must submit their complete technical and financial quotations using one of the following channels:

Option 1: Email submission

Email: procurement@jubbayouthassociation.org

Email subject: Tender – Supply of Essential Medicines and Medical Supplies – CBPF-SOM-26-S-NGO-40439

Option 2: Physical submission (alternative)

Address: JYA Office in Kismayo, Farjano Village, Jubaland State, Somalia

Bids may be hand-delivered to the office during working hours, no later than the closing date and time.

Suppliers submitting by email should attach their signed and stamped quotation and supporting documents in PDF format. Physical submissions should be enclosed in a sealed envelope clearly marked:

"TENDER: SUPPLY AND DELIVERY OF ESSENTIAL MEDICINES AND MEDICAL SUPPLIES – JYA/SHF/2026"

Submissions must be received no later than **30 September 2026, 4:00 PM (EAT)**. Late submissions will not be considered, in accordance with JYA's procurement procedures.

9. Required Documents

Each bidder should provide:

1. Valid business registration certificate.
2. Applicable pharmaceutical supplier, distributor, or operating licence.
3. Signed and stamped financial quotation and completed Bill of Quantities.
4. Technical specifications and product information for the items offered.
5. Relevant product registration and quality assurance documents, where applicable.
6. Company profile and evidence of relevant supply experience.
7. Details of at least two relevant institutional clients or references, where available.
8. Confirmation of product availability and proposed delivery timeframe.
9. Declaration of conflict of interest and acceptance of the tender requirements, where requested.
10. A completed JYA Supplier Registration Form.

10. Bid Opening

- All submissions will be recorded in the JYA bid register on receipt, showing the bidder, the date and time of submission, and the name of the person delivering the bid.
- Sealed bids and emailed bids will remain unopened until the bid opening session.
- Bids will be opened publicly on **1 October 2026, 10:00 AM (EAT)** at the JYA Office in Kismayo, Farjano Village. Bidders or their authorized representatives are invited to attend and sign the attendance register.

11. Clarifications and Contact

Requests for clarification regarding the tender requirements should be submitted to JYA through procurement@jubbayouthassociation.org no later than **23 September 2026**.

All formal clarifications or amendments issued by JYA will form part of the tender requirements. Bidders should not rely on verbal instructions or make assumptions about unclear product specifications.

12. Reservation of Rights

Jubba Youth Association reserves the right to accept or reject any tender, cancel or amend the tender process, request additional information, verify supplier credentials, or award the contract wholly or partially in accordance with its procurement policies and applicable donor requirements.

JYA will not be responsible for costs incurred by bidders in preparing or submitting their quotations.

Unsuccessful bidders will be notified in writing, with the reasons their bid was not selected.

JYA does not charge tender participation fees. Any attempt to influence the procurement process through fraud, bribery, collusion, or other improper conduct may result in disqualification and further action in accordance with applicable policies.
