Dear Party Members,

I am once again seeking a term on the National Executive Committee. Serving on the aforementioned committee is something I see as one of my greatest duties. It is paramount that party leadership is scrutinized and held accountable, which is something I've done since my first day in office. The vote to give me another term will be a vote to ensure responsible leadership and electoral success, because ***Fork does the Work.***

Listed here are prominent party members, both current and former, who have given me their support and who will give me their vote in the upcoming.

hellomehappy1 - former MP

Will\_Pro - Former Raza Committee Chair and MP

Australia0513 - Former Member of the National Executive Committee

bets4567 - Former Secretary of the Treasury
