 # All information including the result of selection will be informed by e-mail. When we met a problem in sending e-mail to you, we will use the contact address.

***Please mention the "references" (name, email address, telephone number) who can inquire about the applicant (at least 2 persons). It is desirable that they be staff members of different institutions. If you have letters of recommendation from them, please ask them to send the letter via e-mail (k_iwami@cc.tuat.ac.jp and uedayuki@cc.tuat.ac.jp) to us, directly. The recommendation letter can be written in Japanese.**

Publications/Papers & Research Achievements

<table>
<tr><td colspan="5">Summary</td></tr>
<tr><td colspan="2">(a) Journal papers (only refereed)</td><td colspan="2">(b) Books</td><td>(c) Review, overview or survey articles</td></tr>
<tr><td colspan="2">Number
（Total number of papers）</td><td colspan="2">Number</td><td>Number</td></tr>
<tr><td>Among these, the number of papers as a first author</td><td>Among these, the number of paper as a corresponding-author (excluding papers as a first author)</td><td>Single author</td><td>With co-authors</td><td rowspan="2"></td></tr>
<tr><td>Number</td><td>Number
1)</td><td>Number</td><td>Number</td></tr>
<tr><td colspan="5">Among (a) journal papers, international co-authored papers: Number 2)
Among (a) journal papers, papers collected in Web of Science Core Collection: Number</td></tr>
</table>

1) Only for papers in which the corresponding author is clearly stated.
2) Only for co-authored papers with a person belonging to a non-Japanese institution which is clearly stated.
3) Do not count the same paper multiple times.

a. Journal papers (indicate if the paper is refereed. Also, specify co-authors and underline your name.)

a-1. First-author journal papers (Mark * at the beginning for international co-authored papers. Also indicate the number of citations.)

e.g.

(1) NOKO, T. and XXX, Y., "XXX……..," *Fluid Dynamics Research* 410 (2008), pp.xx–yy. (refereed, 50 citations)

*(2) NOKO, T. and ZZZ, Y., "XXX……..," *Fluid Dynamics Research* 411 (2008), pp.xx–yy. (refereed, 100 citations)

a-2. Corresponding-author journal papers (excluding the above first-author papers) (Mark * at the beginning for international co-authored papers. Also indicate the number of citations)

(1) XXX, Y. and NOKO, T. , "XXX……..," *JSME Journal of Fluid Science and Technology* 1(2) (2008), pp. xx–yy. (refereed, 10 citations)

a-3. Other journal papers (Mark * at the beginning for international co-authored papers. Also indicate the number of citations)

b. Books (Specify co-authors)

c. Review, overview or survey articles

d. Refereed international conference proceedings

e. Invited lectures and talks at international conferences

f. Patents (Specify co-inventors and indicate if the patent has been granted, or is pending)

g. Awards (Specify co-recipients)

h. Acquired research funds (Specify the principal investigator)

i. Activities in academic societies, affiliations and societies

j. Other research achievements and additional comments
