<u>Students with Life Threatening Allergies and/or Asthma, or on medication that will be needed at school</u>:

For students prescribed Epinephrine for Life Threatening Allergies:

- We ask that you review the following: Life-Threatening Allergies
- Provide the Epinephrine order from the student's Primary Care Provider (PCP):
  Med Order
- Along with the Epinephrine order, the PCP needs to complete and sign:
  Anaphylaxis Action Plan

For students prescribed an inhaler:

- Provide the order for the inhaler from the student's PCP:
  Med Order
- Along with the Inhaler order, the PCP needs to complete and sign:
  Asthma Action Plan

<u>Please note</u>, all medication orders and Action Plans expire at the end of each school year. Medication orders and Action Plans must be renewed each school year.
