Why past clients can't stop raving!

Jin M.

"I reached out to Mr. Gordon regarding a non-disclosure case. Mr. Gordon responded quickly and even phoned me directly while on vacation.

This was especially impressive.

As someone who has dealt with my fair share of attorneys, **Mr. Gordon is a rarity in this field.** Most attorneys are aggressive, arrogant, and greedy. In regard to my issue, I spoke to 5 other attorneys and he was the only one who responded in a timely manner.

He also pointed out things the 5 other lawyers failed to do.

I can see why he has such high ratings."

This is legal excellence *redefined.*
