Thursday October 24 3-6:30 PM
Friday October 25 3-4:30 PM

1. **Sign up to Volunteer!** We need help setting up the actual fair, operating the register during book fair hours, and packing up at the end. We rely heavily on volunteers to make this happen, so please sign up if you can! This year we're also asking if you can't volunteer your time, to **please consider donating money** to help fund the raffle prizes, treats, and decorations. Sign up here.

2. ***Remember our teachers*:** At the fair, there will be each teacher's wish list set out. While you're at the fair picking out books for your child, please purchase a book from your teacher's wish list! There will be labeled teachers' bins to place the paid books inside.

3. **eWallet:** If you'd like to not worry about cash or credit cards at the fair, a great option is to set up an e-wallet online. You simply add funds and/or invite family to contribute. Grandparents love to donate towards books! This is a great option if you want your child to stop by the fair on their own after school. At the time of checkout, the eWallet account can be looked up on the register and used towards one's purchase. Set it up through the book fair webpage.

4. **Catch a "read aloud" with Ms. Ludmer on Wednesday 10/23 at 6:00 pm!** Our Head Librarian, Ms. Ludmer, will be reading a lively piece for all to enjoy. The reading will most likely be outside in the courtyard so please dress accordingly! Cookies and milk will be passed around! ☺
