

Dear Family Members,

We want to make sure our students keep learning while away from school. Below is a list of learning activities for the week of June 8-12

I am available to support you and your child with at-home learning. To support your child's learning, I am available by email, remind app, or zoom conferences. I also will schedule weekly zoom meetings with your child to support their academics and social-emotional learning as well.

Students will access all supporting documents via IXL, Newsela, google.classroom, google docs, and email. Students can also access iReady, Prodigy, and MobyMax for additional learning opportunities.

Here is Principal Jeremy's weekly weekly [video](#).

Sincerely,

Mr. Dye
brad.dye@vansd.org

Office Hours: 9am-12pm

Monday June 8th
