Dear Sponsor,

The 2026 Torrance High School Softball season is under way and our team is off to a great start!

Over the past 18 seasons, our program has been one of the most successful in the South Bay. Our varsity captured its first-ever CIF Championship in 2015 and returned to the CIF Final in 2016 and 2019. In 2022, we made our 6th CIF-SS Semifinals appearance and were the CIF SoCal Regional Championships runner-up. In 2023, our program won the Pioneer League Championship, with an undefeated league record, and advanced to the CIF State SoCal Regional Semis.

Our players are reaching out to individuals they believe would like to partner with us in supporting our athletes as they pursue their goal of competing for Pioneer League and CIF Championships. Sponsorships help make it possible for us to provide the necessities that are required to run a quality high school softball program. Funding for our program comes solely from donations from generous people like you.

As you may know, the 2023 season was the inaugural year for Torrance High Softball's very own Don Lee Field. The proceeds from this fundraiser will be used for such things as field improvements and maintenance, equipment and other necessities to improve player performance and safety. Some projects that are currently in the plans are the following: field maintenance, overseeding and fertilizing our outfield grass, and purchasing much-needed field equipment. Funds raised also go towards off-setting the annual cost of uniforms, equipment and transportation.

We will recognize your generous donation by adding your name to our sponsor list on our website, TorranceHighSoftball.com. We have three levels of sponsorship to choose from, or you may make any contribution you would like.

Please complete our [Torrance High Sponsorship Google Form](#). You can give a donation check, made payable to **Torrance High Softball**, to your sponsored player or you can mail the check to:
