LAMBO Monthly Meeting
Wednesday, February 11, 2026, 6 pm
Earth Goods, Minocqua, WI

        - Gary has GPX track, shared on Slack- He'll start working on stormwater stuff
        - County has concerns about amount of trail impacting hunting season
            - Gary has told them we could close during rifle season
        - Travis reached out and was wondering what we want for next build. He was thinking cross country and more tech lines for the expert loops. Thoughts?
            - Beginner/Intermediate avoid tech lines
    - Musky
        - What do we do with the Tundra and trailer?
            - Keep trailer
            - Mary motion to sell snowmobile, Frank 2nd, approved
