WHAT'S NEW:

NCSIS 2615.10 Upgrade*

NCSIS, powered by Infinite Campus, will be upgraded to **release 2615.10** tonight, **May 14, 2026, between 10:00 PM and 12:00 AM**. During the upgrade window, Infinite Campus will perform rolling restarts. Each PSU may experience up to 15 minutes of intermittent downtime at some point during the two-hour window. Please ensure this information is shared with the appropriate staff members.

Please see these articles for a comprehensive list of updates:

[Rx Pack - Campus.2615 | Infinite Campus](#)

HIGHLIGHTED UPDATES included in Release Pack Campus.2615.10:

Scheduling Board - Load Balance Options for Programs

The [Scheduling Board](#) now includes a Load Balance option for Programs in the Section Balance side panel. This feature lets schedulers distribute students with program records across either a small number or many course sections, supporting equitable placement.

Sent Message Log 2.0 Enhancements

[Sent Message Log 2.0](#) has been reformatted to accommodate different message criteria and support the future consolidation of sent messages from various Messenger tools into a single location.

Flags Marked as "Statemanaged" in Database Erroring When Assigned To Student

State Edition customers reported that assigning students flags marked as "Statemanaged=YES" in the database returned the error "the credit group for this state program must be properly mapped prior to assigning to sstudents." This error was occurring at both the State and District level. This has been resolved.

North Carolina – Enrollment End Statuses

Two new Enrollment End Statuses have been added for selection on a student's Enrollment record.

- EYC: EOY Completer
- EYCN: EOY Completer - New School

Replaced End Statuses have been inactivated with an end year of 2024-25.

Activate and Update Migrant Programs in North Carolina

There are new tools that are available for Migrant programs. Previous tools have been made Read Only. Processes surrounding the Migrant program have not changed.

State ID Error Message

The error message received when using the [Assign NC Student ID](#) button has been updated from "There was an unexpected error" to "There has been an unexpected delay registering with NCDPI network. Try again later."

North Carolina – Read to Achieve Updates

The fields available on the [Read to Achieve](#) tool have been reorganized to meet state requirements, and some fields have been updated with new or modified options.

North Carolina – PMR ADA Logic

The Average Daily Attendance calculation for the [PMR](#) has been updated for the following:

- Student day minutes are used in the calculation. Previously, the calculation used the student's scheduled minutes.
- Day events with a standard code of 'AD' are now included in the calculation.

NEW NCSIS Coordinator Collaborative*

As we move from implementation into ongoing operations, learning and collaboration will shift to online bi-weekly meetings starting next week. This will be a time to share updates from NCDPI as well as walk through new processes. Note that any future regional meetings held by NCDPI will be cancelled, and we will hold our first NCSIS Coordinator Collaborative on **Thursday, May 21st, at 1 pm**.

Please register in Eventbrite:

<https://www.eventbrite.com/e/ncsis-coordinator-collaborative-tickets-1989542097972>

EDDIE Year End 2026*

- EDDIE Subscribed Users: Do not enter updates for 2026-27 until July 1, 2026, unless entering Approved Grade Levels or School Closing Dates.
- See the [Year End Memo](#) - May 7, 2026

NEW Agricultural Survey Custom Tool*

A new tool has been created to store the answers from the Agricultural Survey given to parents of new students starting in 2026-27 and will be inserted into each PSU's instance of NCSIS on Monday, May 18. Data can be inserted manually or mapped from the NCDPI-provided Online Registration pleat.

For more information on the custom tool and instructions on how to map your 2026-27 OLR pleats, view the document linked here: <https://go.ncdpi.gov/OLRAgSurveyTool26>

Online Registration DLD Pleat Update*

There has been an update to the OLR Digital Learning Dashboard pleat. OLR configurations for the 2026-27 school year can be adjusted in one of two ways:

- If you have not opened OLR to parents for next year, disable the NCDPI_Digital Lrning Dashbrd_v1(or v2) and import the NCDPI_DigitalLrningDashbrd_v2_PleatExport_05-12-2026.txt
- If you have already opened OLR to parents for next year, adjust the Digital Learning Dashboard Pleat manually.
 - o Navigate to System Settings > Online Registration Setup > OLR Literals Bank
 - o Select the configuration you want to update from the configuration dropdown.
 - o In the OLR Literals Bank Category, click the arrow beside Student to expand the group.
 - o Click “NCDPI_Digital Lrning Dashbrd_v2” to show all the literals in the pleat
 - o Find “student.NCDPI_DigitalLrningDashbrd_v2.customfield.NCDPI_DLDv2_LINK_10.url”
 - o Replace “<https://go.ncsu.edu/speedtest>” with “<https://dpi.speedtest.friday.institute/>”
 - o Click Save at the bottom.

Directions for updating pleats can be found on the [Online Registration Pleat Updates](#) document.

North Carolina Homeless Education Program*

McKinney-Vento homeless liaisons are responsible for the collection of accurate homeless education data on students identified within their Local Education Agency (LEA) [42 U.S.C. § 11432(g)(6)(A)(I)]. The deadline to submit this data is **May 31, 2026**. To ensure compliance, NCHEP will hold an End-of-Year (EOY) Data Submission Information Session for homeless liaisons on **Tuesday, May 19, 2026**, from 2:00 PM – 3:00 PM. Attendance is required for all homeless liaisons. [REGISTER HERE](#)

NC College Connect Launch*

Please click [here](#) to learn more about how you can inform juniors of this amazing opportunity for next fall. Share info with anyone and everyone! Overview webinars are planned for every week in May—please see the link below for dates.

[NC College Connect Launch 2026-27](#)

Please see the [NC College Connect Data Pull and Scheduling Guidance | NC Department of Public Instruction](#) article for information on validating student eligibility in the NCSIS.

Parent Message*

As part of ongoing efforts to strengthen communication with families, Superintendent Green will periodically send messages to parents through the Parent Portal.

A message was placed in the parent portal on Monday, May 11, 2026.

Previous and future parent letters are available at <https://www.dpi.nc.gov/blog-category/superintendent-letters-parents>. If you have any questions, please send them to communications@dpi.nc.gov.

End-of-Year (EOY) Resources and Support*

EOY Focus of the Week

- **Data Audit Focus:** Use the [State Enrollment Overlap Report](#) to clean up overlapping enrollments before switching the active year.
- The new Local End Statuses **EYC: End of Year Completer** and **EYCN: End of Year Completer New School** will be available soon. Please **do not** use other Local End Statuses such as PR, PRN, or W1 when ending enrollments for the school year. Any incorrect end statuses used will be removed.
- Do not enter Diploma Dates until after final grades have been posted. Entering diploma dates early may cause incomplete transcripts to be sent to colleges through E-Transcripts.

Questions and Answers

As you review the webinars and guidance materials, please submit any questions using the NCSIS Questions Form: go.ncdpi.gov/NCSIS25Questions. Responses can be viewed on the NCSIS Answer sheet: go.ncdpi.gov/NCSIS25Answers.

Save the Date & Call for Proposals - NCED Connect Symposium*

SAVE THE DATE & CALL FOR PROPOSALS!

We're excited to announce the next **NCED Connect Symposium**—a premier statewide event connecting people, platforms, and possibilities across North Carolina's education community.

 **September 29 – October 1, 2026**
 **Koury Convention Center | Greensboro, NC**

The NCED Connect Symposium brings together digital teaching and learning leaders, technology directors, central office teams, instructional coaches, NCSIS data managers, district innovators, and more—for three days of powerful collaboration and forward-thinking sessions.

-  Connect with peers
-  Explore new ideas
-  Shape the future of education

✨ This year, we are planning an even larger symposium and expanding our offerings around:

- AI in Education
- NCSIS for All (Data Managers, SIS Coordinators, Teachers, Coaches, Admins, Central Office & Support Staff)
- EdTech Innovation+
- SLMC sessions
- Instructional Strategies
- NCED Connect Services (NCEES, Schoolnet, Canvas, OER)
- Leadership tracks for CTOs, principals, coaches, and central office staff

Call for Proposals is open!

We invite you to share your expertise and help shape this year's symposium by submitting a session proposal.

Please complete the Call for Proposals by **June 15th** using the link below:

REMINDERS:

NCSIS Resources

PSUs have access to the Campus Community, where they can acquire product knowledge, glean tips and tricks, and engage in networking opportunities with other districts. The Campus Community offers convenient single sign-on access from the Campus system to a wealth of resources, including the knowledge base, forum discussions, learning tools, support site, upcoming events, and more.

[Campus Community](#) contains the information you need to learn how to use Infinite Campus through product documentation, videos & simulations, study guides, forums, and much more. Whether you are a teacher, data manager, or Infinite Campus user, you will find the learning resources in a clearly defined pathway for a seamless transition from PowerSchool.

[Campus Passport](#) is a collection of on-demand, self-paced courses that can be assigned to new and existing staff. Accessed through the Campus Community, you will find Instructor-Led Training, specific E-Learning courses, or select a learning plan based on your district role.

[NCSIS Knowledge Base | NC Department of Public Instruction](#) contains articles, video recordings and other resources about North Carolina processes.

[GitHub Vendor Integrations Repository](#) is a website where examples of 3rd party extract formats can be found (these are crowd sourced and should be vetted fully before implementing in your PSU).

[Ad Hoc Filter Sharing Community](#) is a shared Google folder for Ad Hoc filters that PSUs have created. Please add any helpful filters/reports you have created, and use others as you need. These are not guaranteed to work in your PSU and should be vetted fully.

- **Naming Convention:** Ad Hoc Name - PSU Name
- You're welcome to include your email address within the document (optional).
- **Permissions:** You have editing access—please proceed with caution!
- **PII:** Do not upload any PII to the shared folder

Charter School Corner

Legislative Class Size Collection

Note that with the latest updates, charter schools can now run the Legislative Class Size Report. The charter school deadline for this report is **Friday, May 15, 2026**.

Ending Enrollments for Highest Grade Level

When ending enrollments for the highest grade level offered by your charter school, make sure that the end status of **EYCN** is used.

Endorsement Calculation in NCSIS Update

The processes to evaluate most endorsements in NCSIS are currently in testing and will be released in the near future. The capability is always available to evaluate endorsements manually, add them to the transcript, and provide seals to students. The manual process can be used until the evaluation in NCSIS is available. Information about endorsements can be found here: [High School Diploma Endorsements | NC DPI](#).

Upcoming Training Information

Be sure to review the DTL Signature Events Calendar and Eventbrite for upcoming in-person and virtual regional meetings, webinars, and training sessions. These opportunities are designed to keep staff connected, informed, and supported throughout the school year.
