Hands-on

- ✓ Backend developer at [Magnar](#)
- ✓ Web scraper with database (using Spring Boot, Jsoup and MongoDB)
- ✓ [WordPress plugins \(list\)](#)
- ✓ Chrome [app](#) and [extension](#), [Android development](#)
- ✓ [Cloud development](#) (Google App Engine, OpenShift, Heroku, Braintree, Stripe)
- ✓ Contributor to "[REST with Spring](#)" [Classes](#)

Learning

- ✓ [Attending meetups](#)
- ✓ [Coding for fun](#)
- ✓ [Codecademy courses](#)
- ✓ [Reading of IT books](#) and dev. blogs

Teaching

- ✓ Provided training on computers at [middle school](#), at a [public library](#), at a social center and privately
- ✓ Trained team of learners of Java from other areas
- ✓ Gave training to colleagues in India (2 months), and other business locations

Writing

- ✓ [Writer/owner of tech. blog](#)
- ✓ Contributor of [Pplware](#)
- ✓ Contributor of [Programar Magazine](#)
- ✓ Contributor of [Baeldung website](#)
- ✓ Author of book: [jQuery: A sua Biblioteca JavaScript](#) (ISBN 9789727227594), FCA (2013)
- ✓ Co-author of paper [Accessing Social Networking Effectiveness](#), ICIN (2009)
- ✓ Author of MSc thesis [Information Systems Architecture Visualization](#), IST (2007)
