

RULES:

1. Absolutely No R34 by any means necessary. We'll kindly ask you to delete it. Failure to comply within 24 hours will result in a strike.

2. Blacklisted users are forbidden to our entry. They're automatically disqualified if they attempt an entry within this contest.

3. Multiple entries are optional

4. Make a community post if you've finished the artwork of the contest. DMing us on discord counts as an alternative.

However the second in command is only available in telegram if all else fails.

Make sure to credit the original owners when posting the artwork.

5. Tracing others artwork is forbidden. We'll give you a strike if this happens and if we find out the original source that you traced it on.

6. Drawing other characters in different franchises are optional as long as you give credit to the original owners. (Example: The Running Man Animation, Unikitty, Sonic The Hedgehog, Super Mario Bros, Forsaken, etc.)

RULES:

7. Sims also get the same treatment as the blacklisted users are as we don't tolerate people making us uncomfortable. They're also disqualified from this contest due to this.

8. Dependent on your survivability of your character or the franchise's character you or that said franchise's character can either be a survivor, infected, infested, deceased, missing, or captured.

9. (This only applies to other infected individuals)

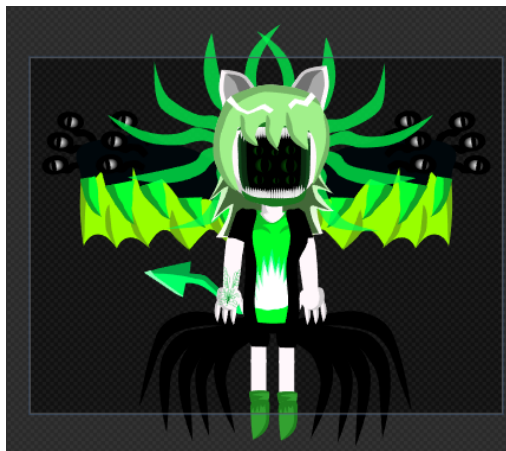

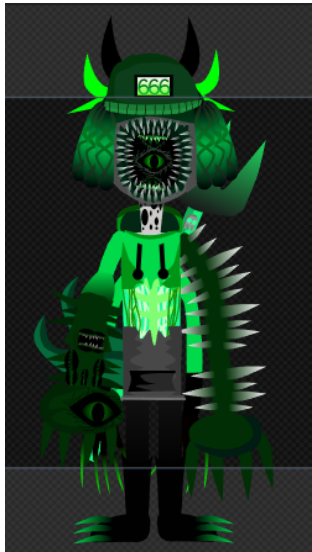

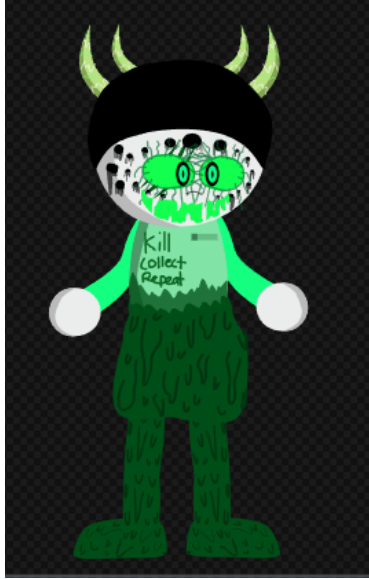

Try your best to make your infected counterpart as scary and intimidating as possible. It doesn't have to be perfect.

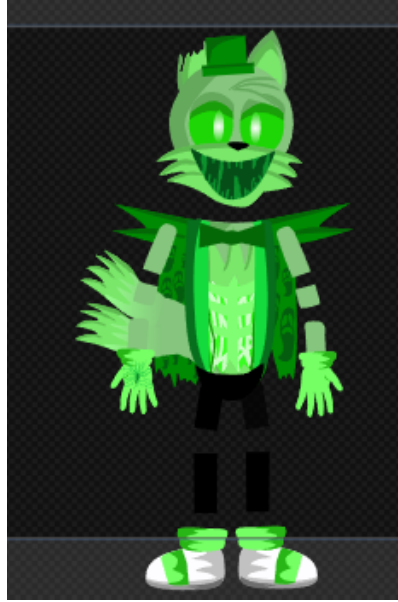

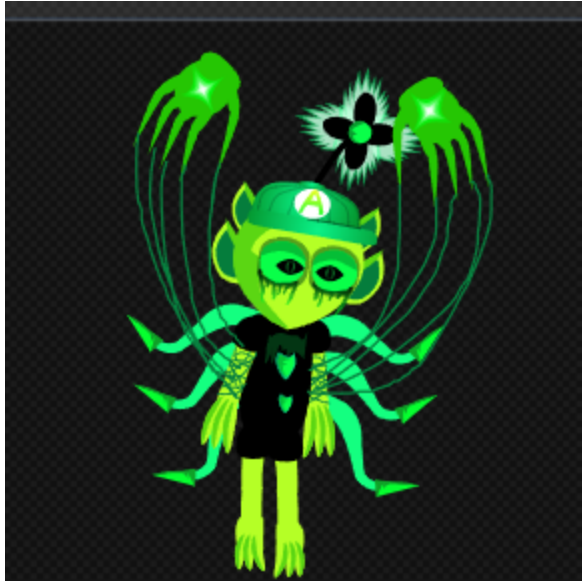

10. Don't try to bypass the disqualification otherwise you'll be forbidden to enter any upcoming contests in October.

(This will result in a 4th Strike if you attempt this.)

Failure to comply with the terms and conditions or you get 3 strikes and you're terminated from the contest completely.
