Privacy Policy

SAR Research Lab has created PTBuddy as a free Android application. This service is provided by SAR Research Lab at no cost and is intended for use as-is. This Privacy Policy is used to inform users regarding our policies with the collection, use, and disclosure of personal information of those who choose to use our service. If you choose to use our service, then you agree to the collection and use of information in relation to this policy. The personal information that we collect is used for providing and improving the service. We will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

For a better experience while using our service, we may ask you to provide some personally identifiable information, including but not limited to first name, date of birth, and email. We do not require you to provide your personal information; you may opt to not disclose one or more of the aforementioned items. Your first name, date of birth, and email are used for generating summary reports of your activities while using PTBuddy, and you may opt to send this report via email to a recipient of your choice. The app also collects health and fitness information in the form of motion data from your device. This motion data is used to guide you through activities performed in PTBuddy.

The information that we request is retained offline on your device, and SAR Research Lab does not collect nor store this information. Your information will not be shared with any other third party without express permission from you.

PTBuddy does use other third-party services that may collect information used to identify you. Links are provided to the Privacy Policies of these third-party service providers below.

- Google Play Services
- Flurry Analytics

Log Data

We want to inform you that whenever you use our service, in the case of an error in the app we collect data and information (through third-party products) on your phone called log data. This log data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our service, the time and date of your use of the service, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory. This service does not use these "cookies" explicitly. However, the app may use third-party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this service.

Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our service;
- To provide the service on our behalf;
- To perform service-related services; or
- To assist us in analyzing how our service is used.

We want to inform users of this service that these third parties have access to their personal information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

We value your trust in providing us your personal information. Thus, we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Links to Other Sites or Services

This service may contain links to other sites or services. If you click on a third-party link, you will be directed to that site or service. Note that these external sites and services are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites or services. We have no control over and assume no responsibility for the content, Privacy Policies, or practices of any third-party sites or services.

Children's Privacy

This service does not target anyone under the age of 13. SAR Research Lab does not collect or store personally identifiable information from users of PTBuddy, and by extension, from children under 13 years of age.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. This policy is effective as of ***07-28-2023***.

Contact Us

If you have any questions or suggestions about our Privacy Policy, contact us at sar.research.lab@gmail.com. This Privacy Policy page was created at privacypolicytemplate.net, and modified/generated by App Privacy Policy Generator and SAR Research Lab.
