Laura: Hi, Peter. Do you have any plans for the weekend?
Peter: Not really. Why?
Laura: I'm going to the cinema to see *The Three Stooges* on Saturday. I always enjoy a good laugh. Do you want to come?
Peter: I don't really like comedies – they're supposed to be funny but I usually find them boring. I prefer dramas. Why don't we go and see *Titanic*? It's on at the Asteria this week.
Laura: You know I can't stand dramas – they're too depressing. I'd much rather watch a nice historical film like *Lincoln*. That's far more interesting.
Peter: Well, that's on at the Asteria too – on Screen 2. I quite like historical films and I think Daniel Day-Lewis is amazing.
Laura: At least we agree on something! Let's go to the 9 o'clock showing on Saturday.
Peter: Great! See you then.
