

PLAY IT SMART MN, LLC

EDUCATION - LITERACY - GROWTH

What- Play It Smart MN, LLC is a 1:1 tutoring, coaching, and mentoring program designed to promote literacy skills and overall well-being through personalized tutoring, a rigorous phonics curriculum, and physical activities.

Why- Because the foundation of all learning is rooted in the development of language and literacy abilities and early literacy intervention combined with physical movement promotes overall health, positive social-emotional development, and minimizes behavioral challenges.

How- By engaging children and adolescents in fun and meaningful active learning.
