Department & Subdivision Leaders

Chief: Ryan F 3K-30
Assistant Chief: Vacant
Chief Of Operations: Vacant

Connecting Vessels

/me Grabs anchor and slowly drops to the seafloor. Secures and ties around the front cleat.

/me Takes rope and ties it around the cleat. Then reaches onto the neighboring vessel and ties it to the nearest cleat.

Looking Into Vessel

/me Visually inspects for Nervous Looks, Abnormal Behavior, Illegal items, Also smells for anything abnormal. Checks the exterior of the vessel for any visible damages. What do I see and smell?

Safety Equipment Check - Boat

/me Looks over the life jackets on board. Is there an equivalent amount to the number of occupants onboard?

/me Looks over the vessel for a throwable flotation device, is there one on board?

/me Checks the vessel for any fire extinguishers onboard. If so, does it meet the standard requirements and function properly?

/me Checks for any visual signaling devices on board. (Flares, Flare Guns, Bright Flags, Strobe Lights)

/me Checks for any sound signaling devices on board. (Any type of Horn, Whistles, Bells)

Safety Equipment Check - PWC (Personal Water Craft)

/me Looks over the occupants on board the PWC. Is everyone wearing life jackets?

/me Checks PWC for any fire extinguishers onboard. If so, does it meet the standard requirements and function properly?

/me Checks for any visual signaling devices on board. (Flares, Flare Guns, Bright Flags, Strobe Lights)

/me Checks for any sound signaling devices on board. (Any types of Horns, Whistles, Bells)

Night Operations

/me Checks all external lights on the vessel. Are all lights functioning properly?
