Petersburg High School has returned to a seven period schedule, a regular schedule for activities, will not continue morning screening, and student lockers will be used this year.

At this time, universal masking will be required throughout the district. Our School Board will re-evaluate mitigation protocols at their next meeting on September 14th.

The school day will run from our first bell at 8:10am to the end of the day at 3:00pm, with early release on Friday at 2:00pm. Our first day of school will be on a Friday schedule for an Orientation Day for students. You can view the entire PHS Bell Schedule here.
