September 29- October 31, 2025
Ms. Noell

We are reading the novel, The Night Diary by Veera Hiranandani. In addition, we will read a related article. We will focus on the idea of home and how it changes throughout life. We will also focus on how change changes us as people. When we finish, we will write an essay.

Homework: Students have homework every week. They should have a novel at home. Questions are posted on Canvas by Saturday and are due the following Thursday. (They can also get the assignment in writing on Monday.)

I-Ready: Students should complete at least 30 minutes of i-Ready reading each week. It can be done during homeroom or at home.
