**V. Old Business**

- Approach of running Honor Band Day Change. Instead of having different days vs. having it all in one day due to students not being able to participate in more than one ensemble, or issues with having multiple siblings participating and not being able to attend concert.
- Need to work on scheduling issues with all ensembles.
- Create a survey to receive feedback from students and teachers

- Wondering when it was first voted to have it all in one day (Jan. 2019)
- Suggested to schedule a meeting in March to reflect on Honor Band Event
- Possible Venue: First Assembly Visalia
- Festival: Need 3 different rooms
- Possible Aligning Audition music to All-State Music
- Suggestion by Doug: Hire someone to write a new set of music to the level of our students for audition, send out a survey, have all members vote,
- Orchestra opposes the idea
- Band Committee to look at aligning audition music to All-State Music: Sarah, Doug, Becky, Bill, Michelle, and Richard
- Possible Choir Committee to create survey
- Sarah proposes a meeting in February to form committees and create surveys
- Motion by Sarah to table information above and discuss in February Meeting, Second by Tami Kenyon (dinner at 5, meeting at 5:30)

#### **VI. New Business**

- Becky Hunt: La Sierra Music Camp brochures. Doug Hung will be teaching the B Jazz Band. It will be held at Scicon.
- Sarah proposes to move audition music to electronic format (Instead of live auditions, have students send videos due to scheduling conflicts) Suggested to do research
- Ricahrd Proposes that if you have a student that auditions, the director should be present. Savannah will write up the proposal to be voted by committee to add to bylaws
