

TVES Gr. 5 Supplies - 2020-21

The Grade 5 teachers are committed to developing digital practices to support our learners beginning at the very start of the year. The following materials will support these practices:

- 2 sets of durable, reliable headphones or earbuds (*one set to remain at school & one set to have for home*) This will be imperative as we will be using digital platforms while in school to maintain social distancing when meeting in small instructional groups.
- One case/container to hold school headphones/earbuds
- Pencil box/Pencil Mesh Pouch (*large enough to fit all pencils, sharpener, crayons, dry erase markers, eraser, etc.*)
- #2 pencils
- 1 large Paper Mate Pink Pearl eraser (*or similar*)
- 1 durable hand-held pencil sharpener (*one that collects shavings*)
- 1 pack of colored pencils or crayons
- 1 glue stick
- 1-subject spiral notebook with built-in folder (*labeled w/ child's name & "MATH"*)
- 1-subject spiral notebook with built-in folder (*labeled w/ child's name & "SCIENCE"*)
- 2 black dry erase markers
- 1 small eraser or small cloth for erasing personal dry erase whiteboard
- Personal water bottle with a closed-mouth top (*preferred - only bottle fillers will be operational at all water fountains*).
- Personal sized hand-sanitizer for pencil bag (*recommended*)
- Extra face mask in backpack as a back-up each day (*recommended*)

*** Reading, Writing, and Social Studies will utilize digital notebooks and/or digital assignments, therefore will not require additional items.**

It is extremely important that all students' belongings are clearly labeled with their first and last name. Please **only** send in materials requested as we are minimizing the amount of items students will have at their desks. If you purchase packages of supplies, please send in the designated amount and leave additional items at home to replenish when needed.

We genuinely thank you for your understanding and commitment to making this school year successful. If you are experiencing financial hardship and are unable to purchase these items, please reach out to Dr. Welch as soon as possible. See you soon!

Grade 5 Teachers :)
