INTRODUCTION

This document is a template. A copy can be downloaded from the IAI Al-Aziziyah Journal/Al-Fikrah Journal website (<https://ejournal.iaialaziziyah.ac.id/index.php/jian>). For questions regarding the guide paper, please contact the Editorial Board of Al-Fikrah Journal. Information about questions regarding instructions for writing the Al-Fikrah Journal can be found via <https://iaialaziziyah.ac.id/>

The paper size corresponds to A4 paper size with a length of 29.7 cm and a width of 21 cm. Margin limits are set as follows:

Top = 2.5 cm

Bottom = 2.5 cm

Left = 3 cm

Right = 3 cm

Writing articles must be in column formats with 1 cm space between columns. The writing is in the form of Book Antiqua 12 pt with 1,15 spacing. Writing uses left aligned and right aligned writing format.

The Arabic writing is in the form of Traditional Arabic 16 pt with 1 spacing. Writing uses left aligned and right aligned writing format.

The use of foreign terms outside of English is written in *italics*.

The introduction to this article contains the background, objectives, literature review and similar research contained in the author's paper. The length of the article is no more than 6000 words or 15 pages.

Reference System (references) In calculating references using Mendeley software with the in text Citation system, ie. (Al-Haitami, 2015). All references are written using one of these software which is patterned after the American Psychological Association 7th edition which is arranged from A to Z.

RESEARCH METHODS

The research method in this article contains the research design, research subjects, research instruments, data collection and analysis techniques.

The table must be located in the middle (centered). Large tables can be spanned across both columns. The table title is located above the table. Table descriptions are written at the bottom of the table.

Table 1. Table Title (Bold)

Font Size	Information
10	Font : Book Antiqua

Information :

If the table uses symbols, they can be explained in this description section

RESULTS AND DISCUSSION

The author writes the research results in the results and discussion section. Authors can display pictures or photos as well as tables of research results. Images of research results are given image titles. The image title is placed at the bottom of the image. The image is placed in the middle (centered).

Images are allowed to use color. Images should not use dots because there is a possibility that they will not print perfectly. Captions on the image are placed at the bottom of the image.

Figure 1. Image title

Graphics include images, so writing graphics is the same as writing images. The location of the graph must be centered (centered). The graphic title is placed at the top in Book Antiqua font, size 10, Bold. The writing on the X and Y coordinates must be clear and information can be placed below the graph.

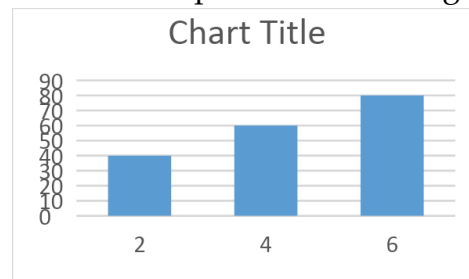

Figure 2. Chart title

CONCLUSION

The closing contains the conclusions of the research results and suggestions given by the author.

REFERENCES

- Written in full, according to the references in the description
- References Caption must be start in the new page after Conclusion and center
- Only contain sources referenced in the description
- Reference sources of at least 80% are libraries published in the last 10 years. At least 80% of references are in the form of research articles in journals or research reports.
- Articles must refer to articles published in "Al-Fikrah Journal"
- Writing bibliography according to APA (American Psychological Association) Style standards.
