## Research Project

My group members:

Our topic:

You will present your Google Slide Show in class on  
Tuesday, May 17th.

**The project:** You and your group are doing research on your topic. You will need to answer all ten questions Ms. Atwill gives you, and then come up with (and answer) three more related to your topic. You will create a Google Slide Show to share what you have learned with your class.

Where to start? The following websites are guaranteed to be reliable sources:

[www.treasury.gov](http://www.treasury.gov)

[www.usmint.gov](http://www.usmint.gov)

[www.consumerfinance.gov/money-as-you-grow/](http://www.consumerfinance.gov/money-as-you-grow/)

[www.practicalmoneyskills.com](http://www.practicalmoneyskills.com)

[www.themint.org/](http://www.themint.org/)

[bizkids.com/](http://bizkids.com/)

Any website that ends in .edu, .gov or .org is likely to be a good source. Wikipedia and Google are great **starting points**, but they cannot be your actual sources!

Timeline and Daily Goals:

Friday, May 6th: Answer three questions, come up with three new questions

Monday, May 9th: Answer five questions

Tuesday, May 10th: Answer five questions

Wednesday, May 11th: Double check all questions to make sure they are answered completed and have two sources, begin slideshow

Thursday, May 12th: Finish slideshow

Friday, May 13th: No Classes (Field Day)

Monday, May 16th: Rehearse Slideshow, double check for mistakes

Tuesday, May 17th: Present Slideshows to Class

About the slide shows: You must share the slideshow with EVERYONE in your group, and EVERYONE must have the ability to edit your slideshow.
