

Unit 2 - Grammar

Second Conditional

Grade: 8/1
T: Muna Albalooshi

1. Rule and Meaning

We use the **Second Conditional** to talk about situations that are **not real now or in the future (imaginary situations)** and their possible results.

2. Form

If clause	Result clause
If + Past Simple	would + base verb
if I went if she had if we made if they visited	I would go she would take we would put they would explore

3. Examples

If clause	Result clause
If I made a space time capsule,	I would put photos of the Burj Khalifa in it.
If I went to space,	I would take pictures of Earth.
If I had a robot,	I would use it to help people.
If we visited Mars,	we would explore the planet.
If she met an astronaut,	she would ask many questions.

4. Useful time and place ideas (for Unit 2)

space

time capsule

Burj Khalifa

Sheikh Zayed Grand Mosque

robot

astronaut

Remember!

- Use the **past simple** after if.
- Use **would + base verb** in the result clause.
- These are imaginary situations (not real now or in the future).

A. Complete the sentences with the correct form of the verbs in brackets.

- If I _____ (have) a spaceship, I would travel to the moon.
- If she _____ (visit) the UAE, she would see the Burj Khalifa.
- If we _____ (meet) an astronaut, we would ask many questions.
- If they _____ (make) a time capsule, they would include a UAE flag.
- If I _____ (go) to space, I would take photos of Earth.

B. Choose the correct answer.
