## Methods of Payment:

If you prefer to pay by credit card there will **not** be an administration charge.

**Please Note:** Cash or cheques will not be accepted as a form of payment.

**A) Credit Card:** The following card types are accepted: VISA / MASTERCARD / AMERICAN EXPRESS. Unfortunately we are unable to accept DINERS CLUB.

You will need to supply us with the following information:

- Card Type
- Card Number (should be 16 digits except for Amex which are 15 digits)
- Full Name as shown on card
- Valid from and expiry dates
- Signature as it appears on the card

- Security Code

It is acceptable for a third party (i.e. Sponsor) to pay on your behalf. If this is the case then we would also need to have the address as stated on their credit card statements.

**VERY IMPORTANT:** Please make sure your credit card account has the funds available – check with your credit card company the limit on your card if unsure. Should your funds not be collected on the first attempt, we will try a further 2 times (we will allow a few days between attempts) before we contact you (delays in receiving payment could result in you not getting venue preference).

You will be sent a receipt from our Player Accounts Department advising the exact date when the funds were collected from your credit card. Please have this receipt with you when registering in case of queries.

We would make the following suggestion – two weeks after sending in your form, check your credit card to see if £800 has been debited – if not, it may be that we are experiencing problems and if this is the case you should contact the Player Accounts Department at The European Tour immediately to discuss.
