

Your PLP Bio will be displayed on the identity page of your PLP throughout the year. Please answer the following questions about yourself in a format of your choosing:

- Who is in your family? (You can describe just the people you live with, just your immediate family, or go into more depth about extended family.)
- What are some interesting/unique things about your past since the time you were born?
- What are some things that you like to do?
- What are some things that you think you are good at?
- What do you wish you were better at?
- What are your big dreams for the future?
- What are other important things that people should know about you?

Please take a selfie, or use a photo of yourself that you already have, and paste it here:

Delete the instructions when you are done so you have one clean page for your PLP
