[WOMEN](#)

**Saturday Eastern Cup Entries - Register through [SkiReg](#) Deadline - 1/31 5:00PM**

### **Instructions for EISA Skiers who do not have a NENSA Licence:**

Please note that the SkiReg.com registration sites (UVM 2/3 and Dartmouth 2/10) have been updated to include an option for "NENSA 1-Day Membership" for "EISA Open" skiers. All other Eastern Cup registration pages only offer this option for "Visiting Foreign Skiers." NENSA will monitor the 1-Day entries for these two combined events by validating against your current rosters as listed on Bart EISA Carnival Entries.

Open EISA skiers without NENSA memberships should answer "Yes" to the first question and click "I do NOT have an annual NENSA membership #" to the second question – \$10.00 will be added to their entry.

If skiers have an active NENSA membership they should answer "No" to the first question and click "I have an annual NENSA membership #" to the second question (or

leave it blank) – no additional fees will be applied and junior athletes will be scored to JN rankings.

**BIBS:**

8:30AM. Friday and Saturday. Bibs can be picked up in the Craftsbury Outdoor Center.

**PARKING:** There will be parking for wax Trailers in both the upper and lower parking lots with power in both places. **Please limit Tailgate power to after all waxing has been complete.** The soups can wait.

**WARM SPACE:**

Note From Craftsbury:

**Spaces for racers** will include the white tent, Cedar basement and the Touring Center.....but we would really appreciate it if athletes can keep their stuff outside or elsewhere. Warm space is important for racers and spectators, but not for “stuff”. Stuff tends to take up a lot of space in the lodge, and then there’s less room for people. Thank you!

**Coaches Reps:**

Middlebury  
Colby

**TD NOTES:**

**Feed Zones -**

- Upper Field before heading downhill opposite of the lodge.
- Behind New Cabins before the downhill before the lap/finish zone.

**Be reminded that coaches or designated volunteers should be handing feeds. Also, you must remain stationary during feed passes.**

**Grooming - Grooming will begin at 04:30 Friday morning.**

#### **Course Open/Closure**

- **08:00 - Course open for inspection Women.**
- **09:50 - Course closed for race.**
- **11:00 - Course opens for inspection Men (No cool-down on course for Women).**
- **11:50 to 13:30 - Course closed to non-racers.**
- **Coaches are allowed on course during race, travel in direction of race, and yield to racers.**

**Start Lanes - There will be room for 7 start lanes using a Chevron start.**
