

I agree to follow and review the following checklist with participant before each CYO Intramural Event in Fall 2020:

1. Take participant's temper prior to each event. If greater than 100.00 degree Fahrenheit, the participant must stay home.

2. Does the participant have a cough or shortness of breath? If yes, then the participant must stay home.

3. Does the participant have more than two of these symptom, if yes the participant must stay home:

- muscle pain

- headache

- sore throat

- loss of taste or smell

- vomiting

- diarrhea

- congestion

- runny nose

4. Has the participant been exposed to anyone with a confirmed case of Covid-19 in the past 14 days, if yes they must stay home.

5. Does the participant have flushed cheeks, rapid breathing, difficulty breathing, fatigue, and/or cough. If yes, they must not participate.

6. If the participant has traveled to a hot spot in the past 14 days, they must not participate.
