

# Candlelight

*Key: Dm*

*Chords: Dm-Bb-F-C*

## INTRO:

*Dm-Bb-F-C*

## VERSE 1:

Your hands on my waist  
I've never felt so good before  
Dancing in the moonlight  
With shining stars in the woods

I thought that you and I were  
Meant to be forever  
But when you let me go  
It was my love and heart you took

## PRE-CHORUS 1:

I couldn't stay away from you  
You'd fill my head, take away my tears  
I thought that you would be the one  
But you left me here

## CHORUS:

Don't you remember the way you'd  
Drive up to my house  
In the middle of the night  
With you I'd see more than black and white

You'd follow me out, take my hand  
And kiss my lips  
And whenever we'd fight  
You'd make it up with candlelight

### POST-CHORUS:

Candlelight (piano interlude)

Candlelight (piano interlude)

### VERSE 2:

Walking down these empty halls

Days fading into night

Lying on my bathroom floor

I began to write

### PRE-CHORUS 2:

Standing here in the dark

Opening my eyes from pretty lies

Deep inside I hear my voice

It was always mine

### CHORUS:

Don't you remember the way you'd

Drive up to my house

In the middle of the night

With you I'd seen more than black and white

You'd follow me out, take my hands

And kiss my lips

And whenever we would fight

You'd make it up with candlelight

### BRIDGE:

Now I look in the mirror, I see I'm enough

I didn't need a guy, I didn't need the pain

I finally feel alive and now I see the way

Cause we were pictures in a broken frame

### FINAL CHORUS:

Now I remember the way you  
made me lose myself  
You were the devil in disguise  
But now I feel more than black and white

I had to lose you if only to  
Find myself again  
It was a matter of time  
But I realize that I'm my candlelight

### OUTRO/POST-CHORUS

*Dm-Bb-F-C*  
Candlelight

## ARTIST'S NOTE:

This song was inspired by the heartbreak that my generation faces. Sometimes, I think we forget that there was a time when we didn't have that special someone in our lives. So, I wrote candlelight as a message to my generation that no matter who comes and goes in your life, you're always going to have yourself. And that's the most important thing, in my opinion. To be able to find yourself again after all the pain. That is what "Candlelight" is about.
