

Green EDGE Fund Sustainability Grant Project Proposal

Spring 2026

Sustainability Grant: Money that will be used towards projects that address sustainability in a broader sense on campus or the Oberlin community at large, without necessarily having payback.

Funding Requirements: Approved projects must meet these three requirements: (1) publicized recognition of the Green EDGE Fund's contribution (2) completion of all items in Approval Requirements, detailed in the approval document, and (3) submission of project check-in form, detailed in the approval document.

Applicant Information:

Name(s): _____

Organization: _____

Email(s): _____

Phone Number(s): _____

Project Summary:

Project Title:

Amount Requested: \$

Project Objectives and Background:

Briefly describe the project objectives and, as necessary, describe the project's context.

Implementation and Process:

Outline how you envision the implementation of the project. Who will be involved? Have you met with the relevant stakeholders? What is your schedule? Do you have a deadline?

Difficulties and Risks:

Please explain areas of uncertainty associated with the implementation and/or outcome of the project. How difficult will it be to execute? What are the risks? If your project involves acquiring permits from the College or City of Oberlin, what is the plan to ensure its success?

Other Funding Sources:

Have you sought funding or plan to seek funding from any other sources? If this project is not funded by the EDGE fund will it still go forward?

Project Costs

What are the estimated project costs? Please explain how these estimates were reached and cite respected sources.

Initial Equipment Cost (\$):

Initial Labor Cost (\$):

Annual Maintenance Costs (\$):

Project Life Expectancy (years):

Funding Period:

Do grant monies need to be available for longer than two years? If yes, please explain, otherwise the account will be closed after two years.

Budget:

Please list the costs and sources of labor and materials. This section should include an itemized list of everything you plan to purchase, where you will purchase the materials from, and their exact costs.

Doubts:

Please elaborate on any concerns or doubts you have with regards to the accuracy of your calculations above.

Grant Administration:

Please clarify who will be in charge of managing this project and its finances. Include contact information and qualifications. Also include a contingency plan for what will happen to the project if you/your organization should become unable to manage it in the future.

Is your organization a 501c3?:
